MESSAGE FROM THE CHIEF

The safety of the campus community is a leading priority for Loyola Marymount University (LMU). LMU's Department of Public Safety (Public Safety) and its many campus partners use a proactive, multi-faceted, interdisciplinary approach to campus safety. Such an approach, if executed meaningfully, creates an environment that encourages the highest levels of learning and engagement.

Security, including prevention education, response, emergency preparedness planning and security technology, is the responsibility of Public Safety. Safety, on the other hand, is the responsibility of every community member on LMU's sprawling campus. This Annual Security and Fire Safety Report is a resource to provide facts, guidance and information on LMU's safety efforts. We recommend that community members read it and use it as a reference guide.

Thank you for taking an interest in this report. We hope that you will read it carefully and use the information to help make your LMU experience a safe one for yourself and others on campus.

Best regards,

- (ii) Personal safety tips and on-campus, LMU resources
- (iii) LMU’s prevention, preparedness, and awareness campaigns and programs
- (iv) Student Conduct Code Guidelines, Procedures, and Sanctions
- (v) Student-On-Student Sexual and Interpersonal Misconduct Policies, Procedures, and Resources
- (vi) Alcohol and Other Drug Use Policies and Resources
- (vii) Statistics of Clery crimes reported in the last three years, which occurred on LMU campus geography (on campus, in certain off-campus buildings, and on property owned or controlled by LMU)
- (viii) Information on campus fire life safety systems, fire safety tips, and statistics for the last three years.

Public Safety is committed to providing a safe and secure environment for the LMU community. To ensure transparency and provide a comprehensive report for current and prospective students, parents, and employees, Public Safety partnered with the following LMU departments and external agencies to compile this report:

- Academic Affairs
- Title IX Coordinator/EEO Specialist
- Student Affairs
 - Student Housing
 - Department of Judicial Affairs
 - LMU CARES
- Internal Auditing
- Law enforcement agencies near our campus or at locations that are owned or controlled by LMU, including but not limited to the Los Angeles Police Department and the Los Angeles County Sherriff’s Department.

INTRODUCTION

I. Loyola Marymount University

Loyola Marymount University offers rigorous undergraduate, graduate, and professional programs to academically ambitious students committed to lives of meaning and purpose. We benefit from our location in Los Angeles, a dynamic city that brings into sharp focus the issues of our time and provides an ideal context for study, research, creative work, and active engagement. By intention and philosophy, we invite men and women diverse in talents, interests, and cultural backgrounds to enrich our educational community and advance our mission:

- The encouragement of learning
- The education of the whole person
- The service of faith and the promotion of justice

The University is institutionally committed to Roman Catholicism and takes its fundamental inspiration from the combined heritage of the Jesuits, the Marymount Sisters, and the Sisters of St. Joseph of Orange. This Catholic identity and religious heritage distinguish LMU from other universities and provide touchstones for understanding our threefold mission.

II. Quick Facts about LMU

- 8,261 students are enrolled at LMU (6,162 undergraduate students and 2,099 graduate students).
- Approximately 3,200 students live in on-campus residence halls.
- LMU employs over 2,000 faculty and staff.
- The LMU Children's Center, which is located on campus enrolls approximately 105 children ages six weeks to five years, and employs a total of 28 full time staff.

III. Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

The Jeanne Clery Act is a consumer protection legislation enacted in 1990. The goal of the Clery Act is "to ensure students, prospective students, parents, and employees have access to accurate information about crimes committed on campus as well as campus security procedures". This law requires all colleges and universities that receive federal funding to share information about crimes that occur on campus as well as information regarding the college or university's efforts to improve campus safety. (For more information: <http://clerycenter.org/summary-jeanne-clery-act>)

IV. About the Annual Security Report

This Annual Security Report is organized in eight sections:

1. Personal safety tips and on-campus, LMU resources
2. LMU policies and procedures regarding campus safety and security, including those that address timely warnings and emergency notifications; options for survivors of sexual assault, domestic violence, dating violence, and stalking; and campus crime reporting processes
3. LMU's prevention, preparedness, and awareness campaigns and programs
4. Student Conduct Code Guidelines, Procedures, and Sanctions

8. Information on campus fire life safety systems, fire safety tips, and statistics for the last three years.

The Annual Security Report provides information for the previous calendar year; this Annual Security Report reflects 2015 information. Public Safety publishes the Annual Security Report online at publicsafety.lmu.edu/jeannecleryact annually by October 1 as required by the Clery Act.

You may access it online, request a copy be sent to you by calling Public Safety at 310.338.2893, or request a copy in person at LMU Department of Public Safety, 1 LMU Drive, Foley Annex Suite #100, Lost Angeles, California.

LMU SAFETY AND SECURITY POLICIES AND PROCEDURES

V. Public Safety Security Authority

Public Safety's mission is to create and ensure a safe environment for the Loyola Marymount University community. The department's mission extends to all members of the LMU Community, including students, faculty, staff and guests. Public Safety consists of three units: Patrol Operations, Investigations, and Emergency Management & Administration, and the department is open 24 hours a day, 7 days a week, 365 days per year.

Public Safety responds to, investigates and documents known dangerous incidents or those that may cause a significant emergency. To facilitate this, Public Safety supervisors, in addition to leaders throughout campus, have been trained in Incident Command Systems. When a significant emergency or dangerous incident is reported to Public Safety, Public Safety personnel will respond to the location (if safe to do so) and will relay facts through the radio communication system to dispatch, who in turn will notify Public Safety chain of command. As necessary, Public Safety coordinates its response with the Los Angeles Police Department and the Los Angeles Fire Department in addition to other local agencies depending on the nature of the event.

The highest-ranking Public Safety staff person who is on campus will be notified of the facts gathered from field personnel (and outside agencies, if applicable). If necessary, he/she may convene department representatives and/or outside agencies that may have a role in confirming the incident, responding to it, and/or managing the recovery. When he/she has enough information to verify that a legitimate emergency or dangerous situation exists, he/she will immediately initiate the emergency notification/timely warning process.

If it is unsafe for Public Safety personnel to respond to the scene, as in the case of an active shooter on campus, the highest-ranking Public Safety staff member will verify that a legitimate emergency or dangerous situation exists based on information provided through reports from witnesses.

Public Safety officers have the authority to ask persons for identification and to determine whether individuals have lawful business at LMU. See campus access policy at www.lmu.edu/publicsafety. Public Safety officers are non-sworn and thus do not possess arrest authority.

The geographical jurisdiction of Public Safety officers is limited to the core campus area. Any criminal incidents will be referred to the local law enforcement agencies that have jurisdiction on the campus.

Public Safety maintains a highly professional working relationship with the Pacific Division of the Los Angeles Police Department. Public Safety and LAPD currently operate cooperatively under long-standing protocols and procedures. Additionally, LMU Public Safety, LAPD and the Rape Treatment Center at Santa Monica-UCLA Medical Center have entered into a written memorandum of understanding (MOU), for purposes of addressing Sexual and Interpersonal Misconduct incidents. LMU is in discussion with the LAPD with respect to the terms of a comprehensive MOU. All crime victims and witnesses are strongly encouraged to immediately report crimes to local law enforcement and Public Safety. Prompt reporting will assure timely support to those impacted by the incident as well as timely warning notices and disclosure of crime statistics.

Emergency management, including: preparedness, response, recovery, mitigation and protection are priorities on our campus. Public Safety is responsible for leading and coordinating the emergency management program with significant guidance from the LMU Emergency Management Committee, a group of approximately 40 representatives from across campus departments, colleges, and schools and the Building Captain/Emergency Response Team Program, which has active participation of over 250 faculty and staff.

LMU maintains a comprehensive Emergency Operations Plan, which is coordinated and maintained by Public Safety with significant input from Academic Affairs, Student Affairs, Administration, Business and Finance, and University Relations. The plan includes the expectations of departments during an emergency; department operational responsibilities; the process for establishing incident priorities; Incident Command Structure for field response; and Emergency Operations Center (EOC) procedures and protocols. The university practices and tests the Emergency Operations Plan and response procedures through numerous drills, tabletop, functional exercises and tests of the emergency notification system.

VI. LMU Partnerships with Local Law Enforcement

LAPD Pacific Division
12312 Culver Blvd
Los Angeles, CA 90066
310.482.6334

LASD Marina del Rey Station
13851 Fiji Way
Marina del Rey, CA 90292
310.823.7762

Public Safety liaises with the local law enforcement agencies on an ongoing basis, including cooperating in crime prevention strategies and exchanging information whenever crimes are committed. The police also help to maintain a safer campus by providing extra campus patrols for special events that attract large crowds. Additionally, Public Safety relies on its close working relationships with LAPD and LASD to receive information about incidents involving students or any member of the LMU Community, and will actively investigate any crime information it receives concerning or involving a member of the campus community. If Public Safety is notified of a situation in which a campus community member is the victim of a crime, the department may issue a Campus Safety Alert, detailing the incident and providing tips so that other community members may avoid similar incidents.

Public Safety regularly confers with the captain(s) of the local division(s) regarding any police activity on and around campus. Public Safety seeks cooperation of local law enforcement agencies in collecting crime statistics pursuant to the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

In addition, a list of registered sex offenders in California is available at the Los Angeles Police Department and Los Angeles County Sheriff's Department, or online at <http://www.meganslaw.ca.gov/>.

VII. Campus Access

LMU maintains an open campus. Students, faculty and staff have access to academic, recreational and administrative facilities on campus. Access to the residence halls is limited to resident students and their guests, in accordance with university policy as stated in the Student Housing Policies. Access to the residence halls by university employees is limited to an "as-needed" basis. Please respect the safety concerns for all who live in the residence halls. Do not attempt to prop open any exit doors as they are alarmed and this is a serious violation of university policy.

The general public may attend educational, cultural and recreational events at specified locations on the LMU campus. The campus library permits public access with certain restrictions on the use of library materials and resources. Computer lab use is restricted to use by LMU students, faculty and staff personnel only.

Public or commercial access to any campus location must be cleared in advance with the appropriate campus official.

Campus Parking Parking on LMU's campus is restricted and controlled 24 hours a day. LMU charges for parking Monday through Friday, 8am until 8pm. Permits may be obtained by visiting www.lmu.edu/parking or paying as you go through any Pay Station or Parkmobile. For further information on parking regulations, please refer to the Department of Parking and Transportation website at www.lmu.edu/parking.

VIII. LMU OneCard

All LMU community members are required to have an LMU OneCard, which is the official university ID card. The OneCard must be carried at all times while on campus. If for any reason a university official requests that you present your OneCard for identification, you must do so. Your OneCard is the only readily positive means of identifying you as a member of the LMU community.

IX. Buildings and Grounds

Facilities Management Department
310.338.2761

Facilities Management maintains university buildings and grounds with a concern for safety and security. Public Safety and the Residence Hall Association, through patrols of buildings and grounds, informs Facilities Management of potential safety and security hazards, such as broken windows and locks and poorly lit areas

X. Missing Resident Student Procedures

While many missing resident student reports at universities are the result of a student changing their normal routine and neglecting to inform their roommates, friends, and/or family of their whereabouts, Loyola Marymount University takes reports of missing resident students seriously. The university handles missing resident student reports pursuant to the following procedures.

The university defines a missing resident student as any currently enrolled resident student who has not been in contact with roommates, friends, family, faculty or staff for a reasonable period of time (usually a

period of 24 hours) and whose whereabouts have been questioned and brought to the attention of a university official.

Any member of the university community who has reason to believe a student residing in on-campus housing has been missing for 24 hours should immediately contact Public Safety at 310.338.2893.

In addition to registering a general emergency contact, students residing in on-campus housing have the option to identify confidentially one or more individuals to be contacted by the university in the event he/she is determined to be missing for 24 hours, or is otherwise determined to be missing (“Confidential Contact”). A student who wishes to designate a Confidential Contact may do so at the same time he/she provides general emergency contact information or by contacting Student Housing. The Confidential Contact will remain until revoked or changed by the student. Additionally, the contact information provided by the resident student will be accessible only to authorized university officials and law enforcement in furtherance of a missing person investigation.

When Public Safety receives a missing student report, it will promptly initiate an investigation and notify the Dean of Students Office of the investigation. If a student has designated a Confidential Contact(s), the Dean of Students Office will notify the Confidential Contact(s) within 24 hours of the determination that the student is missing. In the event that the missing resident student is a minor (under the age of 18 years) and is not emancipated, the parent or legal guardian, if different than the designated Confidential Contact, will also be notified within 24 hours of the determination that the student is missing. Public Safety will notify the local law enforcement agencies, regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, within 24 hours of the determination that the student is missing.

XI. Emergency Notification and Timely Warning

When a violent crime or crime listed in the Clery Act is reported, it is the consistent practice of LMU to notify the Chief of Public Safety, and/or designee, who then confers, as necessary and applicable, with administrators, Student Affairs, legal counsel and law enforcement agencies, to determine if the circumstances and facts represent an on-going or continuing threat to the LMU community. Once the Chief of Public Safety and/or designee has conferred as necessary and applicable, and a determination is reached that a serious, continuing threat exists, the Chief of Public Safety and/or designee will arrange to disseminate “timely warning” crime alert information through LMU Alert, Student Affairs and/or the university-wide email system to ensure all members of the community are likely to have access to the information. Such alerts shall be provided to students, faculty and staff in a manner that is timely, that withholds as confidential the names and other identifying information of victims and that will aid in the prevention of similar occurrences.

In the event of an emergency, the following process for the issuance of a timely warning will be followed:

1. When it is confirmed that there is a legitimate emergency or dangerous situation (even if all pertinent details are unknown or unavailable), the highest ranking Public Safety staff on campus, without delay and taking into account the safety of the community, will determine the content of the notification and initiate the emergency notification/timely warning process, unless notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.
2. LMU will notify the entire campus community if there is a potential that the whole Campus or a significant portion of the community may be threatened by an incident. LMU may also choose to notify only a segment of the population if the nature of the incident and/or the potential impact is confined.
3. At times, significant incidents may occur that may have a direct or indirect impact on the neighborhood surrounding LMU. Examples of significant incidents include a fire, chemical or hazardous waste spill or a gas leak. Department of Public Safety and/or Facilities Management will communicate these (reported) issues directly to the local authority. Only after conferring with the local authority to understand the potential impact on the neighborhood will Public Safety, University Relations Marketing & Communications or Community Relations consider disseminating an informational message to the larger community. The decision to send out informational messaging to the larger community will be made by the PIO and the EOC Director/Incident Commander (Public Safety) with input from the Director of

Community Relations (or designee). Note that any action items for the neighborhood (e.g. evacuation orders) will be wholly coordinated by the City of Los Angeles.

XII. Modes for Delivering Emergency Notifications and Timely Warnings

A. Emergency Notification System

The university has overlapping means of communication for use during emergency situations, including LMU Alert (automated email, text messages, and phone calls), public address announcements through all campus VOIP phones, bullhorns, and social media. Public Safety will also post updates online at www.lmu.edu/emergency and University Relations may post information on the LMU homepage (www.lmu.edu). Since spring 2012, all registered students are required to enroll in LMU Alert, which includes the automated email, text message, and phone calls to personal devices. Other members of the community, including faculty, staff, and members of on-campus religious communities, vendors, contractors, and Children's Center parents can register and update their LMU Alert contact information at www.lmu.edu/alert. Further, all faculty and staff automatically receive LMU Alert email messages and phone calls on LMU-issued cellphones.

B. Bulletins and Bullhorns

The highest ranking Public Safety staff on campus may opt to post bulletins in Residence Halls and other high traffic areas throughout campus and/or may use bullhorns as a way of communicating information provided in Emergency Notifications, Timely Warnings or Safety Bulletins. Public Safety will consult with appropriate departments depending on the nature, location of, and content of the bulletins and bullhorn announcements.

C. Emergency Hotline

The highest ranking Public Safety staff on campus will assign somebody within Public Safety to record the outgoing message on the Emergency Hotline. The Public Safety staff will then consult with the Executive Director of Marketing & Communications or designee to determine which of the two departments should be responsible for recording updates to the Hotline.

D. University Website and Social Media:

Notifications via the university website and the official university social media accounts are the responsibility of the Vice President of Communications + Government Relations or designee. The highest ranking Public Safety staff on campus will assign somebody to notify the Vice President of Communications + Government Relations about the incident and the messaging that will be issued through Blackboard Connect and InformaCast, so they may maintain consistent messaging on the website and social media.

E. Notification to the LMU Community about an Immediate Threat

The Department of Public Safety is responsible for issuing the primary notification to the campus community through LMU Alert and/or the Public Address system; the highest ranking Public Safety staff on campus will assign the notification task(s) to qualified, trained Public Safety representative(s), and will inform the representative(s) of the recipients for the notification and the modes of communication that are required: text, email, phone, www.lmu.edu/emergency (via the RSS feed feature of Blackboard Connect), and the public address system.

To be designated an approved user for Blackboard Connect and/or InformaCast, individuals must:

- Be approved by the Chief of Public Safety or designee.
- Complete an initial training and any and all ongoing trainings required by Public Safety
- Have a personal user ID and password
- Participate in regular tests for the respective systems as deemed appropriate by the Public Safety Systems Specialist and/or Director of Emergency Management + Strategic Initiatives.

The list below designates the LMU staff members who are approved users and administrators for each system.

Approved Blackboard Connect Users - Department of Public Safety:
Chief of Public Safety
Assistant Chief of Investigations and Operations
Assistant Chief of Emergency Management and Administration
Associate Director of Investigations
Captain of Patrol Operations
Watch Commanders
Shift Supervisors
Emergency Management Specialist
Public Safety Associates
Investigators
Administrative Specialists
Administrative Coordinators

Approved InformaCast Users - Department of Public Safety:
Chief of Public Safety
Assistant Chief of Investigations and Operations
Assistant Chief of Emergency Management and Administration
Associate Director of Investigations
Captain of Patrol Operations
Watch Commanders
Shift Supervisors
Emergency Management Specialist
Public Safety Associates

When it is confirmed that there is a legitimate emergency or dangerous situation (even if all pertinent details are unknown or unavailable), the highest-ranking Public Safety staff person on campus, without delay and taking into account the safety of the community, will determine the content of the notification and initiate the notification system process, unless notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The highest-ranking Public Safety staff person on campus will consult with the Vice President of Communications and Government Relations or designee to determine which of the two departments will assign the task of issuing the emergency hotline initial message and all updates. Notifications via the university website and the official university social media accounts are the responsibility of the Vice President of Communications and Government Relations or designee. The highest-ranking Public Safety staff person on campus will assign somebody to notify the Vice President of Communications

and Government Relations about the incident and the messaging that will be issued through LMU Alert and the public address system, so they may maintain consistent messaging on the website and social media. Subsequent notifications via LMU Alert and the emergency hotline may be made by Public Safety or the Vice President of Communications and Government Relations or designees; this is determined per each incident by the highest-ranking Public Safety staff person on campus and the Vice President of Communications and Government Relations or designee(s).

 Campus phones: Ext. 222
 Los Angeles Police Department: 9-1-1

In a life threatening emergency, one should call 9-1-1 immediately, and then report the incident to Public Safety if possible, so Public Safety can assist and expedite with the first response provided by the Los Angeles Police Department and/or the Los Angeles Fire Department.

For all other urgent matters including suspicious activity or individuals, Public Safety can be contacted by phone (310.338.2893 or x222), via a campus emergency phone, or in-person in the Public Safety office located in Foley Annex or University Hall.

As set forth in LMU's Violence-Free Campus Policy, confidentiality of complaints and parties will be preserved to the greatest extent possible, understanding that the University may have an obligation to take some action even if the Complainant is reluctant to proceed. The University encourages accurate and prompt reporting of all crimes to Public Safety and the appropriate law enforcement agencies, when the victim of a crime elects to, or is unable to, make such a report. University pastoral and professional counselors, if and when they deem it appropriate, inform persons they are counseling to report crimes on a voluntary, confidential basis. For further information on this, or to see the Violence-Free Campus Policy in its entirety, use the following link:

<http://www.lmu.edu/Assets/Student+Affairs+Division/Judicial+Affairs/Violence-Free+Campus+Policy.pdf>.

H. Campus Security Authorities

Public Safety includes all reported incidents in the University's Clery crime statistics. Typically, incidents are reported to Public Safety by the complainant or a witness. However, the federal government anticipates that some incidents will go unreported to Public Safety. Instead, individuals may share information about a crime with trusted faculty, staff, or student employees. To close the gap and

ensure that Public Safety can provide accurate information about crimes committed on campus, the Clery Act requires that certain faculty, staff, or student employees report any information they receive pertaining to a crime—whether in progress or in the past—to Public Safety. Those faculty, staff, and students are referred to as Campus Security Authorities or CSAs.

The Clery Act provides four sets of criteria for universities to identify CSAs:

1. A campus police department or a campus security department of an institution.
2. Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department as explained in definition number one such as an individual who is responsible for monitoring entrance into institutional property.
3. Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses. This includes LMU's Title IX Coordinator.
4. An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings. If such an official is a pastoral or professional counselor, the official is not considered a campus security authority when acting strictly in the capacity as a pastoral or professional counselor. 34 C.F.R. 668.46(a)

LMU has identified over 600 CSAs, all of whom have completed an online LMU CSA training and certification indicating that they have reported to Public Safety all incidents which have been disclosed to them.

XVII. Safety Tips

A. General Safety Tips

- There are several precautions you can take in your apartment, room or suite to help ensure your safety.
- Remember, Public Safety and local law enforcement agencies are here to protect you. If you feel threatened in any situation, contact them right away.
- Have your OneCard and/or keys ready as you approach your building and/or vehicle.
- If you come home and it looks as if someone has entered your room or apartment in your absence, do not go inside. If on campus, call Public Safety. If off campus, call local law enforcement or dial 9-1-1. If someone is loitering outside or inside your building, or if you think you have been followed home, call Public Safety or the local law enforcement agency. It is better to be careful than to take an unnecessary risk.
- If a stranger knocks at your door, do not let them into your room. In residence halls, call Public Safety for assistance. Always ask to see identification before admitting anyone you do not know.
- Use only your last name and first initial on your door and mailbox.
- List your phone number the same way. It is recommended you do not give your personal information through public forums such social media.
- Draw all curtains and blinds after dark and never dress or undress in front of the window.
- The public areas of your building should be well lit. Notify Public Safety or your landlord if they are not.
- Check to see who is inside the elevator before entering. Wait for an empty or a crowded elevator rather than riding alone with a stranger. Stand near the control panel. If you are threatened, press the emergency button or as many floor buttons as possible.

- Personal safety tips can be found online at www.lmu.edu/emergency. Additionally, throughout the year, this information is provided through training sessions, events, activities, student media, and a number of other outreach efforts.

B. On the Street

- Try not to walk alone after dark. Take the Lion Express or use the LMU Escort Service. If walking alone, always be aware of your surroundings. Walk in well-lit areas, and avoid quiet side-streets or alleys.
- Do not carry more cash than you need. If you must carry a purse, keep it close to your body and do not resist if it is snatched. If your wallet is stolen, cancel your credit cards and your checking account at once, and report the incident to local law enforcement.
- Los Angeles maintains beautiful parks. When entering remote areas in parks, be alert and avoid potentially dangerous situations.
- If someone is following you on foot, remain alert. Look behind you, cross the street and ask for help. If you are being followed by car, turn around and walk in the opposite direction. Try to get the license plate number and call the police.
- If a driver stops to ask directions, do not approach his or her car. Do not worry about appearing rude.
- When using automatic bank teller machines (ATMs), always be aware of the people around you. Be especially careful if the ATMs are located directly on the street. Try to use ATMs during daylight hours. If you are suspicious of any person near the ATM, do not continue the transaction. Try to have a friend accompany you to ATMs.

C. Public Transportation

- If you are traveling by public transportation, have your payment ready before you go to the stop.
- Try to stay near people at all times and pick a bus that is occupied by other passengers.
- If you are suspicious of anyone, notify the driver.
- Plan your route before you leave.
- Taxis are the safest — though most expensive — way to travel at night. If possible, agree on a price with the driver before you begin the trip. When you are dropped off at your destination, ask the driver to wait for you to enter your building.

D. Preventing Theft

- LMU has a program to deter theft by permanently identifying valuables.
- Contact Public Safety for assistance with an engraver to mark all of your valuable property.
- Keep a good photograph of anything you cannot engrave. You should also keep an up-to-date property inventory that includes detailed descriptions of the property, including model and serial numbers.

E. Precautions in Residence Halls and Off-campus Housing

- The University OneCard security system controls access to residence halls via card readers. An extra security feature for residents includes a 4-Digit PIN Code when accessing these card readers. There are certain precautions you should take to prevent burglary whether you live on or off campus:
- Keep your apartment, room or suite door locked at all times.
- Secure any valuables left inside, and never leave cash in your room.
- When you go out, lock your doors and windows.
- Always keep your keys and OneCard with you. Do not leave them under a mat or in your mailbox.
- Make sure your name, address and phone numbers are not on your key ring. If your keys or OneCard are lost or stolen, inform Public Safety at once. If you live off campus and your keys are lost, change your locks immediately.
- Change all of the locks when you move into an off-campus apartment.
- Do not leave any indications that you are not at home when leaving.
- Do not let anyone you do not know into your lobby.

- If you are suspicious of any person in a public area of your building, notify the residence staff or Public Safety at once.
- Do not confront the suspicious person.
- If you receive an obscene or harassing phone call, hang up immediately. If the caller persists, contact Public Safety.
- Bear in mind your own safety is worth much more than your property. Never take any personal risk that you can avoid. At the same time, however, it may be a good idea to obtain personal property insurance. This covers breakage and other damage to your property, as well as theft.

F. Precautions in Libraries and Common Areas

- Never leave your belongings unattended.
- Make sure you keep your bag, laptop or purse where you can see it, not on the floor by your feet or on the back of your chair.
- Do not keep valuable items in your coat pocket. Report any suspicious persons to Public Safety immediately.

G. Protecting your Vehicle or Bicycle

- Park your car in well-lit and busy areas.
- If you park in a commercial lot or garage with valet attendants, leave only the ignition key with the attendant. Always lock your car, even when you leave it briefly.
- Do not leave luggage, packages or other valuables inside that might tempt a thief.
- If your vehicle is equipped with an alarm system, use it. If it does not, consider purchasing one.
- Always lock your bicycle. A key operated, steel U-shaped lock is recommended. Be sure to use your lock to secure at least your back wheel and frame to a bicycle rack or similar immobile object.
- On campus, use only authorized bicycle racks.
- Never lock your bicycle by the front or back wheel alone.
- Also, lock your bicycle in a well-lit area where pedestrian traffic will discourage theft.

H. Physical Security for Computers

- Help prevent computer theft by getting your computer secured.
- Universal notebook security cables and computer recovery software is recommended.

I. Digital Security

- Always protect your digital information located on your computer or mobile device by using a strong password that only you know.
- Never share your password with anyone. Immediately delete all suspicious emails.
- No legitimate business or government agency will ever ask for personal information via email or phone unless you initiate the contact.

J. Solicitors on Campus

- If you are approached by an unknown solicitor, politely, and firmly decline the request or product that is presented. If you are approached by an unknown solicitor anywhere on campus, contact Public Safety immediately.

K. Sexual and Interpersonal Misconduct - Safety Tips

The only person responsible for sexual or interpersonal misconduct is the perpetrator, but it is understandable that we all want to do what we can to protect ourselves.

- If possible, do not walk alone at night. Any time you feel unsafe while moving about campus, call Public Safety for an escort at (310) 338-2893 or 222.
- Always remain alert and aware of your surroundings. Scan parking lots, sidewalks and streets for suspicious persons and activity.
- Look confident and purposeful when you walk.
- Don't accept drinks from other people, and open drink containers yourself.
- Be aware of what you are drinking; do not drink from large open containers like punch bowls.
- Keep your drink with you at all times. Cover it with your hand when you are not drinking it to prevent somebody from pouring in other contents.
- If you feel like the effect of the alcohol you are consuming is stronger than usual, stop drinking and get help right away. Designate a sober friend when you are drinking.
- Be cognizant of the "party bus" culture. Although the idea is that a bus is a safe method of transportation to and from local bars, it should not be an opportunity to engage in risky behavior.
- Report suspicious activity or persons to Public Safety at (310) 338-2893 or 222 from a campus phone, or call 9-1-1.
- If you think you have been the victim of a sexual assault, go to a safe place and get medical assistance right away. For more information about sexual assault, consent and how to get help, visit LMU CARES at <http://studentaffairs.lmu.edu/lmucares/gettinghelp/>.

SAFETY, SECURITY, AND AWARENESS DRILLS, CAMPAIGNS, AND PROGRAMS

XVIII. Emergency Drills

A. Evacuation Drills

LMU tests emergency response and evacuation procedures in housing and non-housing buildings every year to educate and train building occupants on evacuation procedures, emergency exits, the sound of the fire alarm and the location of the safe refuge area; test the operation of fire systems; and practice response procedures.

Through Student Affairs, all Residence Halls participate in an evacuation drill one time per semester (twice per academic year). In concert with the Building Captain and Emergency Response Team program, the Public Safety coordinates and conducts evacuation drills of office suites and non-housing buildings throughout the year, monthly drills for the Children's Center, and summer drills for conference/event guests.

Most evacuation drills are unannounced and are conducted by Public Safety in coordination with Residence Life or the Building Captain, with support from Facilities Management and Parking and Transportation.

Public Safety and Residence Hall staffs or the Building Captain (as applicable), evaluate and document egress and behavioral patterns during each drill, when possible. The LMU fire systems are managed and maintained by the Facilities Management Department.

Following all drills, participants are convened at the Safe Refuge Area to debrief and/or receive additional tips and information. Different methods are used depending on the nature of the building and the size of the group. Public Safety, with input from the Residence Hall staff or Building Captains, evaluates each drill and determines necessary corrective actions.

Every emergency drill and exercise is documented, including the date, time, description, whether it was announced or unannounced, a count of the target population, and the location. All drill and exercise records are retained by Public Safety.

B. Annual Earthquake Drill

Public Safety conducted the annual LMU earthquake drill on October 15, 2015 in partnership with the USGS Great California Great Shakeout. The drill tested individual preparedness for an emergency and provided classes, offices, dining facilities, William H. Hannon Library, Burns Recreation Center and other areas on campus with an opportunity to practice, test, and learn about potential safety and preparedness actions. The exercise also allowed Public Safety to test the LMU Alert systems and the public address system.

To promote involvement in the earthquake drill, Public Safety hosted a preparedness fair, partnered with representatives from local emergency management and related organizations to provide training, preparedness and response information, and supplies to participants.

C. Annual Active Shooter/Shelter In Place Drill

On February 26, 2015, Public Safety conducted an all-campus active shooter/shelter-in-place drill. During the drill, students, faculty, and staff were asked to either physically shelter-in-place or participate in a discussion regarding active shooter/shelter-in-place tactics and strategies.

D. Annual Emergency Exercise

Public Safety also conducts one emergency response exercise annually. On June 10, 2015, Public Safety coordinated and implemented a functional Emergency Operations Center (EOC) exercise. This provided a valuable opportunity for approximately 30 LMU staff (who were recently trained and certified in EOC response) to practice their EOC positions. This exercise was independently evaluated and an After Action Report and Corrective Action Plan was developed and implemented by the Emergency Management Committee.

XIX. Crime Prevention Education and Awareness

Crime prevention is a high priority at LMU. Living in a large city requires students, faculty and staff to practice sound crime prevention techniques when walking at night, riding public transportation, safeguarding property or the like. A Public Safety manager or investigator follows up on all reports of criminal activity by contacting the complainant to ensure that a thorough investigation is conducted. Where appropriate, local law enforcement referrals are made.

Crime prevention lectures concerning personal property and safety are presented to various groups and campus organizations. During orientation week, the University begins this educational process by sharing crime prevention information to incoming students. Throughout the year, Public Safety offers a variety of programs on specific ways to safeguard one's property and person. Safety and security information and training are continually provided to students, staff and faculty through bulletins and crime alerts.

The University educates the campus community about sexual and interpersonal misconduct through orientations and educational programming throughout the year. Additional information is available through the LMU CARES Program. For more information on the LMU CARES program, please visit the LMU CARES site at <http://studentaffairs.lmu.edu/lmucares/>

Useful tips on crime prevention are available from LMU's Public Safety via informal lectures that can be scheduled for any size group.

H. LMU Emergency Management

One of the goals of LMU Emergency Management is to empower our community to protect themselves during and immediately following an emergency. To that end, LMU Public Safety conducts an annual Emergency Preparedness Campaign, dedicating each month of the academic year to one of the following preparedness themes: active shooter, earthquake, fire, flu/communicable disease, tsunami, power outage and general preparedness. Through this campaign, information is made available to the LMU community through innovative programming and public information messaging.

Public Safety conducts specific Emergency Preparedness training on an ongoing basis. The training is open to the entire university community and covers prevention, preparedness and safety tips related to fire, earthquake, power outage and active shooter, along with other resources available on the Internet at www.lmu.edu/emergency.

Students who live on-campus for the first time are strongly encouraged to complete an online emergency preparedness training, which focuses on earthquake, fire, active shooter, and power outage preparedness and response. Close to 600 students completed that online training in 2015.

STUDENT CONDUCT CODE

LMU provides its Students with an academic environment conducive to the pursuit of knowledge. This academic environment is based upon accountability, integrity, respect and trust among all members of the University Community.

XX. **Judicial Affairs Mission Statement**

Operating within the context of the University's mission, the Department of Judicial Affairs seeks to maintain the University's academic environment by educating and upholding community standards. The Department of Judicial Affairs supports the educational mission of the University by administering the Student Conduct Code ("the Code" or "Student Conduct Code") in a manner that educates Students, holds them accountable for Student Conduct Code violations and helps them grow into more responsible and community-minded persons.

XXI. **General Guidelines**

It is the intention of the Student Conduct Code to clarify the standards of behavior essential to the University's educational mission and its community life. Excepting Loyola Law School students ("Law School Students") who are subject to the Law School's disciplinary code, the Student Conduct Code is applicable to all LMU Students—undergraduate and graduate. Students are also responsible, and will be held accountable, for the conduct of their Guests.

A. Interpretations of the Student Conduct Code

Student Conduct Code regulations are set forth in writing in order to give Students general notice of prohibited conduct. The Code and its regulations are intended to be read broadly and are not designed to define misconduct in exhaustive terms. Attempts to commit acts prohibited by this Code shall be handled and remedied in the same manner and to the same extent as completed violations.

B. Jurisdiction of the University

Jurisdiction extends to conduct that occurs on University premises, in Study Abroad programs or at University events, programs or activities, on and off campus, as well as to other off-campus misconduct that adversely affects the University, Students, the University's reputation or good will and/or the pursuit of the University's mission, goals and objectives.

C. Inherent Authority

The University reserves the right to take necessary and appropriate action to protect the safety and well-being of the University and University Community. The University also reserves the right to take necessary and appropriate action as a result of Student incidents off campus that may adversely affect the well-being, reputation or good will of the University, University Community, University Community members and/or the pursuit of the University's mission, goals or objectives.

D. Code as Superseding Authority

This Code shall supersede any and all regulations and/or decisions made by Registered Student Organizations and their affiliates including, but not limited to, the Associated Students of Loyola Marymount University (ASLMU), Graduate Students of LMU (GSLMU), Greek Council, Residence Hall Association and the Service Organization Council.

E. Student Participation

Students are asked to assume positions of responsibility in connection with the enforcement of the Student Conduct Code so that they might contribute their skills and insights toward the resolution of Student Conduct Code matters. However, final authority in Student Conduct Code matters is vested in the University administration and primarily with the Senior Vice President for Student Affairs.

F. Focus of the Proceedings

The primary focus of the inquiry in Student Conduct Code proceedings shall be to determine if the subject Student is responsible or not responsible for the alleged violation of the Student Conduct Code and, if the Student is found to be responsible for a violation, to provide the appropriate remedy. Proceedings shall be prompt, fair and impartial. In keeping with the mission of the Department of Judicial Affairs and purpose of the Code, Student Conduct Code proceedings do not, and are not intended to, emulate the criminal justice system, its processes and/or procedures. Student Conduct Code proceedings are intended to be educational and less formal, less adversarial and less complex than criminal justice processes and procedures. Formal rules of evidence shall not be applicable nor shall deviations from prescribed procedures necessarily invalidate a Student Conduct Code decision or proceeding.

G. Violations of Law and the Student Conduct Code

Students may be subject to criminal, civil and University proceedings for acts that constitute violations of federal, state or local law and of this Student Conduct Code. Because of the need to efficiently, effectively and promptly protect the academic environment, University life and operations, Student

Conduct Code proceedings are independent and will normally proceed without regard to the pendency or potential pendency of criminal or civil proceedings.

Students subject to actual or potential criminal charges relating to conduct alleged in pending Student Conduct Code proceedings may assert their Fifth Amendment privilege against self-incrimination during Student Conduct Code proceedings. While no inference of responsibility for Student Conduct Code violations will be drawn because of the assertion of the Fifth Amendment privilege, the Judicial Officer(s) will nonetheless evaluate all the other information and evidence in making their determination.

H. Burden of Proof

The burden of proof shall be upon the Complainant who must establish the responsibility of the Respondent for the alleged Student Conduct Code violations by a preponderance of the evidence.

I. Statute of Limitations

Unless the law requires a longer period of limitation, as with incidents involving sexual or interpersonal misconduct, a Student Conduct Code complaint against the Respondent must be filed within one calendar year of the conduct alleged to be a violation.

J. Communication

The Department of Judicial Affairs will, at its discretion, communicate to all Students via any one or more of the following methods: official University e-mail account, U.S. Mail, parcel delivery (e.g. UPS, FedEx), and/or personal hand delivery. Students should normally expect that the Department of Judicial Affairs' primary medium of communication will be through their official University e-mail account. Students are held responsible and accountable for retrieving communications from their official University e-mail account on a daily basis. Failure to do so is not an acceptable excuse for delaying the judicial processes.

K. Registered Student Organizations

Registered Student Organizations may be charged with the violation of any section of the Code or violation of any published University policies and procedures. A Registered Student Organization and its officers may be held collectively or individually responsible when those associated with the Registered Student Organization violate this Code, particularly when those involved have received the tacit or overt consent or encouragement of the organization, its leaders, officers or spokespersons. The officer(s), leader(s) or any identifiable spokesperson(s) for a Registered Student Organization may be directed by the Dean of Students or a designee to take appropriate action designed to prevent or end violations of this Code by the Registered Student Organization. Sanctions for organizational misconduct may include revocation or denial of registration as well as other appropriate sanctions.

The Department of Judicial Affairs may notify any and all necessary University officials who act in a liaison or advisory capacity for the subject Registered Student Organization(s) of alleged violations of the Code by the Registered Student Organization(s) and the outcome of proceedings regarding alleged violations by Registered Student Organization(s). Registered Student Organizations with a national governing body may be permitted to substitute one Advisor outside of the LMU community if an on-campus Advisor is not reasonably available to assist, but that outside Advisor may not be a lawyer or law student.

L. Reservation of Rights

The University expressly reserves the right to revise, supplement or withdraw any Code section, University policy or portion of a University policy periodically as it deems necessary.

Upon the declaration of a campus emergency, all student policies and procedures remain in effect. However, the Senior Vice President for Student Affairs, or his or her designee, may temporarily suspend and/or revise existing policies, procedures or processes for the health and safety of the campus community and to assist and support the University's efforts during the emergency and subsequent recovery.

M. Knowledge and Awareness of Policies and Code

Students are expected to know and understand University policies. Ignorance is not an acceptable justification or defense for committing violations of University policies or this Code. Lack of intent or awareness of such policies or Code will not be accepted as an excuse or defense for violations, and will generally subject the Respondent to the same consequences as deliberate violations.

XXII. Prohibited Conduct

A written or electronic notice (via the official University e-mail account) of misconduct charges, the location of copies of the Student Conduct Code, a scheduled hearing with a Judicial Officer or applicable Hearing Board and timely notice of that hearing. Students (Complainants and Respondents) shall have the opportunity to present evidence relevant to the alleged misconduct and to respond to the evidence against them including the right to offer evidence and call appropriate fact (non-expert) witnesses. - B. Hearings will generally be private except for Judicial Officers/Hearing Boards, parties and Advisors. Recording devices (audio and/or video) of any kind are not permitted for use by the Students, witnesses or Advisors. If observation is permitted, it may be by electronic or other means intended to screen the parties' view of each other.

Appeal petitions may not be submitted by Advisors or third parties (including, without limitation, lawyers or Law School Students) on behalf of the Student. Failure to appeal within the allotted time will render the original decision final and conclusive. Failure to comply with these procedures may result in the rejection of an appeal petition.
- C. Pursuant to either Section IX(A) or Section X(A) the appeal petition must be accompanied by a written statement in support of an appeal. Upon notification of the receipt of a proper and timely appeal petition, the Chief Judicial Officer or designee shall convene the Student Conduct Committee.

On appeal pursuant to Section IX(A), the Student Conduct Committee will review the Judicial Officer's/Hearing Board's summary of the testimony, findings and decision and the recommended sanction, the Student's disciplinary history and the written statement of the Student filed with the appeal petition. The Student Conduct Committee may, but is not required to, request either the Judicial Officer/Hearing Board or the Student to submit additional information in writing. If the Judicial Officer/Hearing Board is requested to submit additional information, the Student shall be entitled to reply in writing to the additional written information supplied by the Judicial Officer/Hearing Board.
- E. The Student Conduct Committee shall give deference to the determinations of the Judicial Officer/Hearing Board, and may make one of the following recommendations:
 - 1. Recommended sanctions may be reduced, if found to be substantially disproportionate to the offense; increased, if found to be an inadequate response to the misconduct; or affirmed.
 - 2. The case may be referred back to the Dean of Students or designee for reassignment to a new Judicial Officer/Hearing Board if specified procedural errors in interpretation of this Code were so substantial as to effectively deny the student a fair hearing or if significant new evidence became available which could not have been discovered by a properly diligent Student before or during the original hearing.
 - 3. The case may be dismissed if the decision is not supported by substantial evidence.
 - 4. The Student Conduct Committee will not alter a decision of the Judicial Officer/ Hearing Board if there is any amount of evidence, or reasonable inferences arising therefrom which supports the decision, regardless of the amount or quality of contradictory evidence or conflicting evidence.

(ix) A tie vote in an appellate proceeding will result in affirmation of the original decision.

XXVIII. *De Novo Hearing Procedures*

The following procedural guidelines shall be applicable in de novo hearings before the Student Conduct Committee:

- A. Except for appeals of sexual and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking charges, which appeals are authorized under subsection (R) below, any recommended Judicial Officer or Hearing Board disciplinary sanction resulting in suspension or dismissal from the University may be appealed by the Respondent to the Student Conduct Committee for de novo review.  3. New relevant evidence is available within the exercise of reasonable diligence that could not have been produced at the time of the hearing.

- B. The presiding officer may request the presence of fact witnesses upon his/her motion, upon the motion of the Student Conduct Committee or of the Complainant or Respondent. Requests will be determined and approved or disapproved by the Senior Vice President for Student Affairs or a designee, and shall be transmitted to the witness by personal delivery or U.S. Mail, or by e-mail to the witnesses' official University e-mail account. University Students and employees are expected to comply with requests issued pursuant to this procedure, unless compliance would result in significant and unavoidable personal hardship or substantial interference with normal University activities, in which case they must notify the Chief Judicial Officer of the factual basis of the hardship or interference prior to appearing before the Committee. The Chief Judicial Officer will then make a ruling on whether the appearance request will be withdrawn.
- C. Respondents who fail to appear at a de novo hearing after proper notice will be deemed to have abandoned their appeal and to have accepted responsibility for the charged misconduct.
- D. Hearings will generally be private except for Student Conduct Committee personnel, the Complainant and Respondent and their Advisors.
- E. The presiding officer shall exercise control over the hearing to avoid needless consumption of time. Any person, including an Advisor, who disrupts a hearing or who fails to adhere to the admonitions or rulings of the presiding officer may be excluded from the proceedings.
- F. Hearings may be recorded and transcribed by the Student Conduct Committee only. If a recording or transcription is not made, the decision of the Student Conduct Committee must include a summary of the testimony, findings and recommended decision, and recommended sanction if a violation is found.
- G. Recording units (audio and/or video) are not permitted for use by the Student (Complainant or Respondent), witnesses and/or Advisors.
- H. Concurrent with the filing of an appeal petition, Complainant or Respondent may challenge a member of the Student Conduct Committee on the grounds of personal bias. All disqualification challenges of Student Conduct Committee members shall be determined by the Senior Vice President for Student Affairs or designee. If a challenge is sustained, the proceedings will continue without the participation of the disqualified member.
- I. Witnesses shall be asked to affirm that their testimony is truthful and may be subject to charges of providing false information pursuant to Section IV(H) of this Code.
- J. Prospective witnesses, other than the Complainant and the Respondent, may be excluded from the hearing during the testimony of other witnesses. All parties, Advisors and witnesses shall be excluded during Committee deliberations. Nothing herein shall prevent the Student Conduct Committee from arranging to have the Complainant and the Respondent view and/or participate in the hearing before the Student Conduct Committee without the ability to observe or physically see the other. If observation is permitted it may be by electronic or other means intended to screen the parties' view of each other.

- K. The burden of proof shall be upon the Complainant who must establish the responsibility of the Respondent by a preponderance of the evidence.
- L. Except as provided herein, formal rules of evidence and discovery shall not be applicable in these proceedings conducted pursuant to this Code. The Student Conduct Committee shall give effect to the recognized rules of privacy (including the Family Education Rights and Privacy Act [FERPA]) and privilege but shall otherwise admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.
- M. Affidavits shall not be admitted into evidence unless signed by the affiant and witnessed by a person designated by the Dean of Students or designee.
- N. The Student Conduct Committee may take judicial notice of matters that would be general knowledge of other University Students.
- O. The Student Conduct Committee shall be provided copies of the Student's disciplinary record when reference to the Student's disciplinary history is included in the decision made by the Judicial Officer/Hearing Board.
- P. A quorum for the Student Conduct Committee shall be three members with a minimum of one Student and one faculty member.
- Q. Procedural, evidentiary and final recommendations of the Student Conduct Committee shall be by majority vote of the members present and voting. A tie vote in a de novo proceeding will result in dismissal of the charge. Procedural or evidentiary issues in any hearing before the Student Conduct Committee shall be determined by the Committee's presiding officer in accordance with this Code. The Student Conduct Committee shall give effect to the recognized rules of privacy (including the Family Education Rights and Privacy Act [FERPA]) and privilege but shall otherwise admit all matters into evidence which a reasonable person would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.
- R. In regards to appeals of sexual misconduct and misconduct including Dating Violence, Domestic Violence and Stalking, determinations resulting in either a dismissal of the charge or imposition of any sanction against the Respondent, both Complainants and Respondents may appeal determinations of sexual and interpersonal misconduct charges under this Code by providing written notice within three business days. Appeals of sexual and interpersonal misconduct determinations shall be appealable as provided for in this Section X.

XXIX. Exceptional Procedures

- A. Violations of this Code that in ordinary circumstances may not result in a sanction of suspension or dismissal may nonetheless result in a sanction of suspension or dismissal if, in the view of the Senior Vice President for Student Affairs, suspension or dismissal is appropriate under all the facts and circumstances (e.g. intentional, malicious or aggravated violation, history of repeated Code violations, etc.).
- B. The Senior Vice President for Student Affairs or a designee may suspend a Student for an interim period pending Student Conduct Code proceedings or medical evaluation. Such interim suspension becomes immediately effective without prior notice whenever there is reasonable suspicion that the continued presence of the Student on the University campus poses a substantial threat to the health, safety or well-being of members of the University community or to unreasonably interfere with the stability and continuance of normal University functions.
- C. A Student suspended on an interim basis shall be given an opportunity to appear personally for an interim suspension hearing before the Senior Vice President for Student Affairs or a designee within three days from the effective date of the interim suspension to present his or her case to discontinue the interim suspension in accordance with Section XI(D) below.
- D. An interim suspension hearing shall determine whether the interim suspension should continue through the hearing and determination on the merits of the Student Conduct Code charge(s) because the alleged misconduct and surrounding circumstances reasonably indicate that the continued presence of the Student on campus pending the hearing and determination of the Student Conduct Code charge(s) poses a substantial threat to the health, safety or well-being of members of the University community or unreasonably interferes with the stability and continuance of normal University functions.

- E. If, at the interim suspension hearing referenced in Section XI(D) above, the Student's continued presence is determined to pose a substantial threat to the health, safety or well-being of members of the University community or to unreasonably interfere with the stability and continuance of normal University functions, the Senior Vice President for Student Affairs or designee may continue the interim suspension through the conclusion of the proceedings on the alleged Student Conduct Code violation.
- F. In cases alleging sexual and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, the Senior Vice President for Student Affairs or a designee may take interim measures, including, but not limited to, academic, residential, transportation and/or employment accommodations, intended to ensure the well-being of the Complainant, the Respondent, the investigatory process and/or the University community while the complaint is being investigated and prior to the determination on the charge. Any such interim measures shall not be referred to or offered as evidence at the hearing on the underlying charge. Any such interim measures shall be designed and implemented in a manner intended to achieve their purpose while at the same time limiting, to the extent practicable, any adverse effect to the Complainant and/or Respondent's educational program.
- G. Final decisions of the Judicial Officer, Hearing Board or the Student Conduct Committee recommending a suspension or dismissal from the University shall be reviewed and approved by the Senior Vice President for Student Affairs. All other final decisions shall be reviewed and approved by the Dean of Students or designee. The reviewing officer may change, defer or suspend the decision and sanction, or impose conditions in connection with any change, deferral or suspension.
- H. Unless otherwise determined by the Senior Vice President for Student Affairs or designee, the imposition of sanctions will be deferred during the appeal process.
- I. A judicial hold may be placed on a Student's file/account and a notation entered on the Student's University transcript when the Student has been dismissed or suspended from the University or has officially or unofficially withdrawn, taken a leave of absence or has been academically disqualified while Student Conduct Code proceedings are pending. In addition, when the Student has incomplete sanctions or open judicial cases and leaves the University for any reason, including, but not limited to, leave of absence, withdrawal or academic disqualification, a judicial hold will be placed on the Student's file/account and the Student may also be prohibited from entering campus during the period of the judicial hold. This judicial hold must be cleared before a Student will be allowed to return to the University.

XXX. Judicial Files and Records

- A. Case referrals may result in the development of a judicial file in the name of the Respondent that may be voided if the Respondent is found not responsible for the charges.
- B. The files of Respondents found responsible for any of the charges against them will be retained as a judicial record for a minimum of seven years from the date of the letter providing notice of the final judicial action.
- C. Judicial records may be voided and any records or notations related thereto purged by the Dean of Students for good cause following consideration of a written petition of Respondent. Among the factors considered by the Dean of Students in review of such petitions shall be:
 - 1. The nature of the charge;
 - 2. The period of time that has elapsed since the violation;
 - 3. The present demonstrated demeanor and contrition of the Respondent;
 - 4. The demonstrated conduct of the Respondent subsequent to the violation; and/or
 - 5. The nature of the violation and the severity of any damage, injury or harm resulting from it.

Decisions on petitions under this subsection are at the discretion of the Dean of Students.
- D. When Students sign a release offered by prospective employers, Study Abroad, University offices or graduate schools, this release allows the University to release student disciplinary information to these parties.

STUDENT-ON-STUDENT SEXUAL AND INTERPERSONAL MISCONDUCT POLICY AND PROTOCOL

XXXI. Introduction

LMU recognizes the significant, unacceptable and nationwide existence of sexual and interpersonal misconduct on college campuses. LMU is dedicated to the prevention of such misconduct and to providing a caring, supportive and effective response when such misconduct occurs. Accordingly, LMU encourages students and University community members to report such misconduct so that the University can take appropriate responsive action.

Title IX of the Education Amendments of 1972 ("Title IX") is a federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. Under Title IX, discrimination on the basis of sex can include student-on-student Sexual Harassment or Sexual Assault including sexual violence, rape, sexual battery, sexual coercion, Sexual Exploitation and unwelcome intrusion into another's sexual seclusion or privacy, as well as interpersonal misconduct including Dating Violence, Domestic Violence and Stalking. The Division of Student Affairs has established this Student-on-Student Sexual & Interpersonal Misconduct Policy & Protocol to assist and respond to complaints of student-on-student sexual misconduct and interpersonal misconduct.

Students should report all forms of sexual misconduct (student-on-student; student and non-student; faculty/staff-on-student) and interpersonal misconduct to a Student Affairs professional, the Senior Vice President for Student Affairs, the Title IX Coordinator/EEO Specialist or by filing a report with the LMU Department of Public Safety, (310) 338-2893 (222 from a campus phone).

A Judicial Affairs/Student Conduct Code case for alleged student-on-student sexual misconduct or interpersonal misconduct will be initiated and adjudicated. Sexual or interpersonal misconduct involving a Student and any non-student in the University community is handled under the LMU Discriminatory Harassment and Complaint Process. Further information about the LMU Discriminatory Harassment and Complaint Process including the making and processing of complaints thereunder may be found at <http://studentaffairs.lmu.edu/media/lmustudentaffairs/administration/judicialaffairs/Community%20Standards%20Booklet.pdf#page=111>

All persons, including University faculty and staff, are prohibited from taking any retaliatory action against any other member of the University Community including, but not limited to, the Complainant, Respondent or witnesses to an alleged incident of sexual misconduct or interpersonal misconduct. Any student engaging in any retaliatory action(s) will be subject to discipline under the Student Conduct Code and appropriate sanctions for determined violations may include dismissal from the University. Retaliation by non-students will be adjudicated and determined in accordance with the LMU Discriminatory Harassment and Complaint Process. Any Student who believes that they have been retaliated against for having filed, or being named in, a complaint for sexual or interpersonal misconduct or having participated in the investigation of such a complaint, should promptly notify the Department of Public Safety at (310) 338-2893 (x82893 from campus phone). Any person who believes that they have been retaliated against by a staff member should notify Human Resources at (310) 338-5118. Any person who believes that they have been retaliated against for the above mentioned reasons by a faculty member on behalf of the University should notify Academic Affairs at (310) 338-2733.

For additional information on sexual and interpersonal misconduct awareness, prevention and training, including bystander intervention, programming and events on campus intended to bring awareness to these issues and opportunities for you to get involved, please visit the LMU CARES office online: <http://studentaffairs.lmu.edu/lmucares/>, or contact Briana Maturi, Special Assistant to the Senior Vice President of Student Affairs, (310) 258-4381.

XXXII. Policy

- A. Under Title IX, Sexual Harassment is broadly defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal or physical conduct of a sexual nature including sexual violence. This policy applies to all Students, regardless of sexual orientation or gender identity. Under this policy, sexual misconduct includes all forms of Sexual Harassment under Title IX including sexual violence, such as rape, Sexual Assault, sexual battery and sexual coercion. Interpersonal misconduct includes Dating Violence, Domestic Violence and Stalking. All forms of sexual and interpersonal misconduct are unacceptable and will not be tolerated, including acts that occur off campus.

Any Student alleged to have participated in sexual or interpersonal misconduct will be referred to Judicial Affairs and, if found responsible, will be subject to disciplinary action. Complainants of sexual and interpersonal misconduct are not required to be members of the LMU community; they may be third parties or others unaffiliated with the University. If a Complainant chooses not to participate in the University conduct process, the University reserves the right to initiate the judicial process. Outcomes related to sexual and interpersonal misconduct cases run the full spectrum as outlined in Section V of the Student Conduct Code, and include disciplinary warning through suspension or dismissal from the University.

- B. All alleged incidents of student-on-student sexual and interpersonal misconduct will be adjudicated in accordance with the Student Conduct Code utilizing the preponderance of the evidence standard. Student Conduct Code proceedings shall be prompt, fair and impartial and adjudicated by officials that have received regular training regarding incidents of this nature.
- C. In cases alleging sexual and interpersonal misconduct, the Senior Vice President for Student Affairs or a designee, may take interim measures, including, but not limited to, academic, residential, transportation and/or employment accommodations, intended to ensure the well-being of the Complainant, the Respondent, the investigatory process and/or the University community while the complaint is being investigated and prior to the determination on the charge. Any such interim measures shall not be referred to or offered as evidence at the hearing on the underlying charge. Any such interim measures shall be designed and implemented in a manner intended to achieve their purpose while at the same time limiting, to the extent practicable, any adverse effect to the Complainant's and/or Respondent's educational program. Any such interim measures that remain confidential, to the extent practicable to achieve the measure. Both Complainant and Respondent will receive written notification of their access to interim measures.
- D. Both Complainant and Respondent will receive written notification of their rights and options in regards to the Student Conduct process. Both Complainant and Respondent will also receive written notification of available on and off campus counseling, health, mental health, victim advocacy, local assistance, visa and immigration assistance, student financial aid and other services offered by the University and other local organizations.
- E. No Contact Orders (NCO) will also be utilized by Public Safety both during the investigation and through the completion of the disciplinary process. Both parties will be expected to sign a document stating their awareness of the NCO and the stipulations of no contact. Public Safety will provide information about available community resources.
- F. In line with the Good Samaritan Policy found in the Community Standards Booklet and this report, violations of the Student Conduct Code regarding underage or excessive consumption of alcohol or use or possession of illegal substances will not be utilized to commence disciplinary proceedings against a Complainant if the information is divulged through the process of reporting sexual misconduct or interpersonal misconduct. The University does reserve the right to refuse to grant amnesty to reporters under certain extenuating circumstances. Criminal investigations and other police action may still occur at the discretion of the law enforcement agency responding to the incident.
- G. Student Conduct Code proceedings respecting alleged incidents of sexual misconduct and interpersonal misconduct will in the first instance be adjudicated by a panel of not less than two staff Judicial Officers. These Judicial Officers will be regularly trained in the adjudication of these types of incidents and will schedule individual meetings with both parties and witnesses regarding the alleged violation. Students will not be permitted to cross-examine each other or witnesses through the Student Conduct Code process.

All Judicial Officers receive training regarding the adjudication of sexual and interpersonal misconduct. For information regarding what training is conducted please visit the LMU CARES office online: <http://studentaffairs.lmu.edu/lmucares/>, or contact Briana Maturi, Special Assistant to the Senior Vice President of Student Affairs, (310) 258-4381.

- H. Prior sexual history of Complainant or Respondent with people outside of each other will not be utilized as evidence in these disciplinary proceedings.
- I. Once a Student Conduct Code determination of the charges has been made, a determination notification letter will be concurrently sent to Complainant and Respondent.
- J. Complainants are encouraged to report all instances of sexual or interpersonal misconduct regardless of the amount of time that has passed since the alleged misconduct occurred. The University reserves the right to take disciplinary action regarding allegations involving current LMU students irrespective of the length of time since the alleged misconduct occurred.
- K. Student Conduct Code proceedings are independent from criminal or civil proceedings and will normally proceed without regard to the pendency or potential pendency of criminal or civil proceedings.

XXXIII. Definitions

- A. For purposes of this policy, Sexual Assault is defined as engaging in sexual intercourse, or any of the sexual activities listed below, with another person without that person's consent. Sexual Assault includes, but is not limited to, rape, sexual battery, anal intercourse, oral copulation or penetration of a body cavity by a foreign object. Sexual intercourse includes the penetration, however slight, of the vagina or anus with any object or body part and of the mouth with a body part and/or object in a sexual manner.
- B. For purposes of this policy, Sexual Harassment is defined as unwelcome conduct of a sexual nature including, without limitation, unwelcome sexual advances, requests for sexual favors, intrusion into another's sexual seclusion or privacy and other unwelcome verbal, nonverbal, auditory, visual, recording, transmission or display of sexual matters or materials or physical conduct of a sexual nature. A sexually hostile environment exists when Sexual Harassment is so continuous and pervasive that it interferes with or limits a student's ability to participate in, or benefit from, the University's educational program.

Sexual Harassment also includes the act of making sexual contact with the intimate body part of another person without that person's consent, including as the result of sexual coercion. Intimate body parts include the mouth, the sex organs, the anus, the groin or buttocks of any person, and/or the breasts.

For purposes of this policy, Sexual Harassment includes, but is not limited to, invasion of sexual privacy, audio or video recording or photographing of any type (webcam, camera, Internet exposure, etc.) without knowledge and consent of all persons, going beyond the boundaries of consent (such as letting another person hide and watch you have consensual sex without the knowledge of the other party), engaging in unconsented voyeurism, exposing one's genitals or breasts in non-consensual circumstances, coercing another against their will to expose their genitals or breasts and prostituting another person.

- C. For purposes of this policy, Sexual Exploitation is defined as sexual misconduct that occurs when a person takes unjust or abusive sexual advantage of another for his or her benefit or for the benefit of anyone other than the exploited party; and that behavior does not otherwise constitute Sexual Assault. Examples of Sexual Exploitation include, but are not limited to, invasion of sexual privacy, videotaping or photographing of any type (webcam, camera, Internet exposure, etc.) without knowledge and consent of all persons; going beyond the boundaries of consent (such as letting another person hide and watch you have consensual sex without the knowledge of the other party), engaging in voyeurism, exposing one's genitals in non-consensual circumstances; coercing another to expose their genitals, prostituting another person.
- D. Consent is defined as the unambiguous and willing participation or cooperation in act, behavior or attitude that is commonly understood to be consistent with the exercise of free will. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other(s) to engage in the sexual activity. Consent requires participants who are lawful adults, fully conscious, equally free and legally competent to act, have clearly communicated their willingness, cooperation or permission to participate in the specific sexual activity engaged in, are positive and clear about their desires and are able to cease ongoing consensual activity at any time. Refusal to consent does not have

to be verbal; it can be expressed with clear gestures, body language or attitude. Lack of resistance does not mean consent, nor does silence mean consent. Prior sexual history between the Complainant and Respondent, by itself, does not constitute Consent, nor does consenting to sexual activity with one person imply consent to sexual activity with another person.

- (i) Consent is not freely given if:
 - 1. It is obtained through the use of force, through the fear of or the threat of force, through the abuse of a power position over another (such as employment status or position within an organization) or by kidnap; or
 - 2. A reasonable person, in the position of the alleged perpetrator at the time the alleged conduct occurred, should have known that the other person was unable to give consent for any of the following reasons:
 - a. The individual is unable to make an informed decision as a result of the use of alcohol, drugs or other substances (including but not limited to predatory drugs or prescribed medications); or
 - b. The individual is unable to consciously respond for whatever reason including lack of consciousness, sleep, illness or shock; or
 - c. The individual is under the age of eighteen and therefore legally incapable of giving consent; or
 - d. The individual is known by reason of impairment, mental condition or developmental or physical disability to be reasonably unable to consent.
 - 3. The individual has acted or spoken in a manner which expresses a lack of consent or a refusal to consent.
- (i) The following are invalid excuses for failing to obtain affirmative consent from the Complainant:
 - 1. The Respondent's belief in affirmative consent arose from the intoxication or recklessness of the Respondent; or
 - 2. The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the complainant affirmatively consented.
- E. In accordance with the reauthorization of the Violence Against Women Act, **Domestic Violence** is defined as a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabited with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under California law; by any other person against an adult or youth victim who is protected from that person's acts under California law.
- F. For purposes of this policy and in accordance with the reauthorization of the Violence Against Women Act, **Dating Violence** is defined as violence committed by a person:
 - (i) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - (ii) Where the existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the following factors: the length of the relationship, the type of the relationship and the frequency of interaction between the persons involved in the relationship.

Dating Violence includes, but is not limited to, sexual or physical abuse or threat of such abuse the "Complainant's statement" with consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved. Dating Violence does not include acts covered under the definition of Domestic Violence.

- G. For purposes of this policy and in accordance with the reauthorization of the Violence Against Women Act, **stalking** means engaging in a course of conduct directed at a specific person(s) that would cause a reasonable person under similar circumstances and with similar identities to the Complainant to fear for his or her safety or the safety of others; or suffer substantial emotional distress.

For the purpose of this definition course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person's property.

For the purposes of this definition substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

- H. **“Complainant”** means the individual(s) who file(s) a Student Conduct Code complaint with the University. In some instances, the University may initiate judicial proceeding on behalf of a Complainant.
- I. **“Hostile Environment”** is defined as any situation in which there is harassing conduct that is sufficiently severe, pervasive and objectively offensive that it limits, interferes with or denies educational benefits or opportunities, from both a subjective (the Complainant’s) and an objective (reasonable person’s) viewpoint.
- J. **“Respondent”** means the individual(s) against whom a Student Conduct Code complaint is made.
- K. **“Retaliation”** means any adverse non-permitted action taken in response to an action, injury or protected activity against a person who reports a violation of this policy, assists someone with a report of a violation of this policy, or participates in any manner in an investigation or resolution of a report of a violation of this policy. Retaliation can include, but is not limited to: threats, intimidation, coercion, harassment, reprisals, spreading negative information about an individual, exclusions from academic and non-academic programs, and/or adverse actions related to employment.

XXXIV. California Law

The following excerpts are only partially explanatory of certain California laws pertaining to sexual and interpersonal misconduct. These excerpts are not intended to be an exhaustive description or list of California laws pertaining to sexual misconduct, inappropriate or criminal sexual behavior or interpersonal misconduct.

- A. Excerpts from Sections 11165.1, and 261 of the California Penal Code: Sexual Assault includes rape, statutory rape, rape in concert, incest, sodomy, oral copulation, sexual penetration, lewd or lascivious acts upon a child, child molestation and the following:
 - (i) Penetration, however slight, of the vagina or anal opening of one person by the penis of another person, whether or not there is emission of semen
 - (ii) Sexual contact between the genitals or anal opening of one person and the mouth or tongue of another person.
 - (iii) Intrusion by one person into the genitals or anal opening of another person, including the use of an object for this purpose, except that, it does not include acts performed for a valid medical purpose.
 - (iv) The intentional touching of the genitals or intimate parts, including the breasts, genital area, groin, inner thighs, and buttocks, or the clothing covering them, of a child, or the perpetrator by a child, for purposes of sexual arousal or gratification, except that it does not include acts which may reasonably be construed to be normal caretaker responsibilities: interactions with or demonstrations of affection for, the child; or acts performed for a valid medical purpose.
 - (v) The intentional masturbation of the perpetrator’s genitals in the presence of a child.

Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator under any of the following circumstances:

- (i) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent and this is known or reasonably should be known to the person committing the act
- (ii) Where it is accomplished against a person’s will by means of force, violence, duress, menace or fear of immediate and unlawful bodily injury on the person or another
- (iii) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known, by the accused
- (iv) Where a person is at the time unconscious of the nature of the act, and this is known to the accused

As used in this paragraph, “unconscious of the nature of the act” means incapable of resisting because the victim meets one of the following conditions:

- (i) Was unconscious or asleep.
- (ii) Was not aware, knowing, perceiving or cognizant that the act occurred.
- (iii) Was not aware, knowing, perceiving or cognizant of the essential characteristics of the act due to the perpetrator’s fraud in fact.
- (iv) Was not aware, knowing, perceiving or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.
- (v) Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense or concealment practiced by the accused, with the intent to induce the belief.
- (vi) Where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, “threatening to retaliate,” means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury or death.

California law also states that “The essential guilt of rape consists in the outrage to the person and feelings of the victim of the rape. Any sexual penetration, however slight, is sufficient to complete the crime” (Penal Code section 263). California law further defines both marital rape (Penal Code section 262) and “statutory rape” (Penal Code section 261.5).

Though laws vary from state to state, intercourse in which consent was not obtained or was obtained under coercive conditions will usually be considered rape.

B. Excerpts from Section 67386 of the California Education Code:

University policies concerning sexual assault, domestic violence, dating violence, and stalking shall include an affirmative consent standard in the determination of whether consent was given by both parties to sexual activity. “Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past relations between them, should never by itself be assumed to be an indicator of consent.

C. Excerpts from Section 261.6 and 261.7 of the California Penal Code:

In prosecutions under Section 261, 262, 286, 288a, or 289, in which Consent is at issue, "Consent" shall be defined to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved.

A current or previous dating or marital relationship shall not be sufficient to constitute Consent where consent is at issue in a prosecution under Section 261, 262, 286, 288a, or 289. Nothing in this section shall affect the admissibility of evidence or the burden of proof on the issue of Consent. In prosecutions under Section 261, 262, 286, 288a, or 289, in which Consent is at issue, evidence that the victim suggested, requested or otherwise communicated to the defendant that the defendant use a condom or other birth control device, without additional evidence of Consent, is not sufficient to constitute Consent.

D. Excerpts from Section 646.9 of the California Penal Code:

Any person who willfully, maliciously and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of Stalking, punishable by:

- (i) Imprisonment in a county jail for not more than one year, or
- (ii) A fine of not more than \$1,000, or
- (iii) By both that fine and imprisonment, or by imprisonment in the state prison.

For the purposes of this section, “harasses” means engages in a knowing and willful course of conduct directed at a specific person that seriously alarms, annoys, torments or terrorizes the person, and that serves no legitimate purpose.

E. Excerpts from Section 13700 of the California Penal Code and 6211 of the California Family Code:

“Domestic Violence” means abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant, person with whom the suspect has had a child or is having, has had a dating or engagement relationship, a child of a party or a child who is the subject of an action under the Uniform Parentage Act or any other person related by consanguinity or affinity within the second degree.

For the purposes of this subdivision, “cohabitant” means two unrelated adult persons living together for a substantial period of time, resulting in some permanency of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to:

- (i) Sexual relations between the parties while sharing the same living quarters.
- (ii) Sharing of income or expenses.
- (iii) Joint use or ownership of property.
- (iv) Whether the parties hold themselves out as husband and wife.
- (v) The continuity of the relationship.
- (vi) The length of the relationship.

XXXV. Complainant/Respondent

A. Complainants and Respondents in a sexual or interpersonal misconduct case have the right to:

- (i) An appointed Advisor who will assist them through the student judicial process.
- (ii) Receive a written notification of available on-and off campus counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available as well as notification of the procedures for institutional disciplinary action and their rights and options as defined in sexual and interpersonal misconduct cases.
- (iii) Make a complaint to the Department of Public Safety.
- (iv) File a police report and take legal action separate from and/or in addition to filing a Student Conduct Code complaint seeking disciplinary action.
- (v) Be informed of the disciplinary finding (responsible or not responsible) in writing.
- (vi) Present material witnesses to the alleged incident.
- (vii) Refuse any/all of the above.

XXXVI. Title IX

A. Under Title IX, LMU has a responsibility to respond promptly and equitably to address Sexual Harassment, sexual violence and interpersonal misconduct. If LMU knows or reasonably should know about Sexual Harassment, sexual violence or interpersonal misconduct that creates a hostile environment, LMU must take action to eliminate the Sexual Harassment, sexual violence or relationship misconduct, prevent its recurrence and address its effects.

LMU encourages prompt reporting of crime to Public Safety and/or law enforcement. Even if a Student elects not to file a Student Conduct Code complaint, does not request that LMU take any action on the Student’s behalf or is unable to make a report to LMU and/or law enforcement, if LMU knows or

reasonably should know about possible Sexual Harassment, sexual violence or interpersonal misconduct, LMU must promptly investigate to determine what occurred and then take appropriate steps to resolve the situation. In appropriate circumstances, LMU may report crimes to law enforcement when a victim decides not to report or cannot report the crime.

A criminal investigation into allegations of Sexual Harassment or sexual violence does not relieve LMU of its duty under Title IX to resolve complaints promptly and equitably.

LMU has a Title IX Coordinator, Sara Trivedi, EEO Officer in the Human Resources Department, who can be reached at (310) 568-6105 or strivedi@lmu.edu. The Title IX Coordinator is notified of reported incidents of sexual and interpersonal misconduct and monitors the University's response to such misconduct.

B. How do I file a complaint with the U.S. Department of Education, Office for Civil Rights?

If you believe that Loyola Marymount University does not respond appropriately to your allegations of Sexual Assault, harassment, or misconduct after you have filed a report with Public Safety, Residence Life or gone through the judicial process, you have the option to file a complaint with the Office of Civil Rights.

- You may file a complaint in person, online or by mail
 - a) In person: via telephone (877) 292-3804.
 - b) Online: via email: education@usdoj.gov
 - c) By mail: write letter to: U.S. Department of Justice Civil Rights Division, 950 Pennsylvania Avenue, N.W., Educational Opportunities Section, PHB, Washington, D.C. 20530.
- For more information about filing a complaint please visit: <https://www.notalone.gov/students/#how-do-i-file-a-complaint-about-my-school-and-then-what-happens>

XXXVII. Confidentiality

A. Title IX requires all universities to identify “responsible employees” as those who are obligated to report all details of an incident, including the identities of those involved, to the Department of Public Safety whenever that information is brought forward to the employee. The Department of Public Safety will notify the Title IX Coordinator when a report has been filed. Responsible employees include faculty, administrative staff and some student staff. Responsible employees do not include the following:

- Professional, licensed counselors, such as the psychologists at Student Psychological Services, (310) 338-2868, are not required to report any information regarding an alleged sexual or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body, without consent from the student. Pastoral counselors, such as Catholic priests and women religious, are not required to report any information regarding an alleged sexual misconduct or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body, without consent from the student provided they receive the information in performance of their pastoral duties.
- Student Health Services Staff, such as doctors and nurse practitioners at Student Health Services (310) 338-2881, are not required to report any information regarding an alleged sexual or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body on campus, without consent from the student. The Health Center Staff will be required to report signs of physical or sexual abuse to the Los Angeles Police Department.
- LMU Community Resource Advisors (LMU CRAs), their names can be found on the LMU CARES website, may speak confidentially with students regarding incidents of sexual and interpersonal misconduct without automatically triggering a University investigation into the matter. These individuals do have time and place reporting responsibilities under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), but are not obligated to report identifying information of the Complainant. If the Respondent's name is presented to a LMU CRA, they will be obligated to report that information to the Title IX Coordinator. Reports by the LMU CRA will not trigger a University

investigation unless the Title IX Coordinator in consultation with the Senior Vice President for Student Affairs or designee determines that an investigation is necessary because:

- a) The Respondent has known prior allegations of sexual or interpersonal misconduct and a potential for a campus safety risk exists; or
- b) The location in which the alleged incident occurred is a location where previous complaints of sexual or interpersonal misconduct occurred creating the potential for an unsafe environment for the LMU community; or
- c) A threat to the campus community at large has been identified; or
- d) A frequency or pattern is detected that suggests an unsafe environment exists for the LMU community or an LMU community member; or
- e) The sexual or interpersonal misconduct was perpetrated with a weapon; or
- f) The victim is a minor; or
- g) Some combination of the above factors exists.

B. Students reporting an incident of sexual or interpersonal misconduct to a responsible employee may request confidentiality. Students should be aware that if they request confidentiality, then the University's ability to effectively investigate and adjudicate the instance(s) of sexual or interpersonal misconduct may be impaired. The University cannot guarantee confidentiality in this instance, and certain factors will be considered in determining whether the confidentiality request can be honored. Those factors include those listed above in Section VII (A) (3).

C. The Title IX Coordinator, in consultation with the Senior Vice President for Student Affairs or designee, is responsible for determining whether the confidentiality of the Complainant can be honored. If the decision is made that confidentiality cannot be honored, then the University will only inform the necessary individuals and entities on campus required to perform a thorough investigation and adjudication of the complaint. The University will respond to any accusations of retaliation against the Complainant or witnesses brought upon by the investigation or adjudication of the misconduct.

XXXVIII. Student Affairs Resource Administrators

When an allegation of sexual or interpersonal misconduct is brought to the attention of LMU, the Associate Dean of Students or designee will assign a Student Affairs Resource Administrator (SARA) to both the Complainant and Respondent (if a Respondent has been identified). The SARAs will make themselves available, separately, to assist both the Complainant and Respondent in identifying University and external resources that are available to them in the context of alleged sexual or interpersonal misconduct. SARAs will also review with Complainants what interim measures may be available to them (as outlined in Section II, (C) of this policy). Complainants will be assigned a SARA regardless of whether they provide LMU with the name of the Respondent or willingly participate in the conduct process. The SARAs are members of the Student Affairs Division who are trained to assist the parties in identifying University and external resources and explaining the University's judicial process in cases of alleged Student Conduct Code violations relating to sexual and interpersonal misconduct. The SARAs are not advocates. The role of the SARA is to:

- Provide information in writing regarding resources on and off campus such as Student Psychological Services (SPS), Student Health Services (SHS), Student Housing, Department of Public Safety (Public Safety), Los Angeles Police Department (LAPD)/proper law enforcement authorities, Rape Treatment Center at Santa Monica-UCLA Medical Center, Campus Ministry and Judicial Affairs.
- Explain all stages of the LMU Student Conduct Code Judicial Affairs process, including potential outcomes for both Complainant and Respondent.
- Provide information, explanation and review so that the parties can make an informed decision about the options available to them, including reporting to law enforcement, filing and responding to Student Conduct Code complaints, and documenting their decisions.
- Follow up with the student through the Student Conduct Code process and thereafter to ensure that no retaliation is taking place and to continue to provide the student access to the resources that the student requires.

XXXIX. Advisor

In cases of sexual and/or interpersonal misconduct, Complainants and Respondents may choose an Advisor of their choice. If Complainants or Respondents want a trained Advisor from the University community, they may obtain a referral from their assigned SARA. Advisors will assist Students in navigating the conduct process but will not serve as representation for Students in Student Conduct Code proceedings.

If the Student chooses an Advisor for incidents involving Sexual Harassment/sexual misconduct and/or interpersonal misconduct, that Advisor is still subject to the requirements set forth in Section VII (C) (6) of the Student Conduct Code.

XL. What Should You Do if You Experience Sexual Assault, Sexual Violence, Domestic Violence, Dating Violence or Stalking?

If you experience sexual assault, sexual violence, domestic violence, dating violence or stalking, it is important to remember that it is not your fault! The most important thing you can do is to get the assistance that you need by taking the following steps:

- A. Go to a safe place as soon as you can
- B. Preserve all physical evidence. Do not wash your face or hands, bathe, brush your teeth, drink or eat, douche or change clothes. If you do change your clothes, put all clothing you were wearing at the time of the assault in individual paper bags (not plastic). It is important to preserve as much evidence as possible for investigation and processing of criminal and/or disciplinary charges.
- C. Contact Public Safety - (310) 338-2893/222 (Emergency Line on campus). LMU Public Safety can also be reached by activating the blue light boxes located throughout campus. Public Safety can assist you in reporting a crime that occurred off campus to the appropriate authorities. You may decline to report your experience to such authorities.
- D. Seek immediate or prompt medical treatment (typically within 72 hours). It is important to seek immediate or prompt and necessary follow-up medical attention for several reasons:
 - 1) To assess and treat any physical injuries you may have sustained.
 - 2) To determine the risk of sexually transmitted diseases or pregnancy and take appropriate medical measures.
 - 3) If you choose, you may have evidence collected and preserved to aid in the investigation and processing of criminal prosecution and/or disciplinary action. It is best for any physical evidence to be collected within the first 24 hours following the incident (the quality and quantity of evidence collected later than this may be substantially diminished).
- E. Visit the Rape Treatment Center at Santa Monica-UCLA Medical Center - (310) 319-4000
 - The Rape Treatment Center can provide general medical treatment and, if you choose, collection of evidence. A medical exam could include treatment of any physical problems; evaluation of risks; various lab tests for sexually transmitted diseases and pregnancy; appropriate treatment; identification and collection of physical evidence of any Sexual Assault. A specially trained nurse will perform the evidence collection exam. A Sexual Assault advocate or a support person of your choice may be present throughout the procedure.
 - The Rape Treatment Center hospital emergency department follows national standards for victim care, Sexual Assault exams and evidence collection procedures. If the decision is made to conduct an evidence collection exam, the anonymous evidence may be held for six months or longer. This means you do not have to decide immediately whether or not you want to press charges.

- The Rape Treatment Center also provides long term counseling support for victims of Sexual Assault and sexual violence, as well as advocacy and accompanying services.

F. Meet with your assigned Student Affairs Resource Administrator (SARA)

LMU will assign you a SARA following a report being submitted to Public Safety. Your SARA is a Student Affairs professional trained to provide you with information about resources available to you both on and off campus. The SARA can receive requests for interim measures and review your options with you. SARAs will also review with you the University's conduct process and LMU's policy against retaliation.

G. Schedule non-emergency medical treatment - (310) 338-2881

Even if you choose not to go to the hospital or to seek immediate medical attention, it is still important to get medical attention to treat any physical problems and to conduct various lab tests for sexually transmitted diseases and pregnancy. To arrange non-emergency treatment, contact the Student Health Center via telephone or as a walk-in visit to their office in the Burns Recreation Center, between 8 a.m. to 5 p.m. If you say that you have been a victim of Sexual Assault, sexual violence, Domestic Violence, Dating Violence or Stalking, you will be offered a general medical examination by a licensed health care provider. You will also be offered a referral to Student Psychological Services (SPS) for counseling and support.

H. Utilize counseling services - (310) 338-2868

SPS has mental health professionals available for students in crisis. During regular office hours you can call SPS or come to the office located in the Burns Recreational Center. Office hours are Monday, Tuesday, Thursday and Friday 8:00 a.m. to 5:00 p.m. and on Wednesday from 8:00 a.m. to 7:00 p.m. A therapist will see you without an appointment if you have an emergency. After hours, please call Public Safety at (310) 338-2893.

ALCOHOL AND OTHER DRUG USE POLICY

The possession, use, sale or the furnishing of alcohol on the university campus is governed by LMU's Alcohol Policy and California state law. The enforcement of alcohol laws on-campus is the primary responsibility of Public Safety. The possession, use, sale, manufacture or distribution of any controlled substance is illegal under both state and federal law. Such laws are strictly enforced by the LMU Public Safety.

Violators are subject to university disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession or use of alcohol by anyone under 21 years of age is illegal. It is a violation of the LMU Alcohol Policy for anyone to consume or possess alcohol in any public or private area of campus without prior university approval. Individuals, organizations or groups

violating alcohol/substance policies or laws may be subject to sanctions as set forth in the Student Conduct Code and/or criminal prosecution, fine and imprisonment.

**The entire alcohol and drug policy is available in the Community Standards booklet:
<http://www.lmu.edu/Assets/Student+Affairs+Division/Judicial+Affairs/Community+Standards+booklet.pdf>.

***The Drug-Free Campus Policy for LMU Faculty and Staff is disseminated annually in accordance with Federal regulations.

XLII. Alcohol and Other Drug Abuse Information

LMU is committed to promoting the health and safety of its campus community through a program of alcohol education and the implementation of relevant policies. The university has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students, faculty and staff. The program provides services related to drug use and abuse including dissemination of informal materials, educational programs, counseling services, referrals and university disciplinary actions.

XLIII. Alcohol and Other Drug Education

- The Employee Assistance Program provides confidential service by experienced clinicians. They can help faculty/staff members and their household members deal with issues such as depression, marital and family issues and substance abuse.
- Heads UP is a campus-wide responsible drinking project. The mission is to promote a safe and healthy lifestyle among all students and to intervene with high-risk students to reduce dangerous levels of drinking and the incidence of problems resulting from heavy consumption.
- Cura Personalis – June Orientation - First Year Experience reviewed conduct code regarding underage drinking.
- LMU requires all first-year students to complete Think About It, by Campus Clarity.

XLIV. University Disciplinary Actions

A violation of any law regarding alcohol and other drug use or possession is a violation of the university's Student Conduct Code and a violation of state and federal law and will be treated as a separate disciplinary matter by the university.

XLV. Referral Information

Student Psychological Services will assist Students with issues regarding alcohol and other drugs. Therapists are able to refer students to community treatment centers and support groups.

The following resources are provided by the University and available on campus to all students.

- Alcoholics Anonymous—During the academic year, a member of the recovery community in Los Angeles hosts a meeting open to all members of the LMU community. At times, Students have also conducted a weekly Alcoholics Anonymous meeting with the sponsorship of the Department of Judicial Affairs.
- Al-Anon—During the academic year, the Health Center and the Department of Judicial Affairs jointly sponsor a weekly meeting open to all LMU community members and focuses on the fellowship of relatives and friends of alcoholics.
- Choice Theory—A three-session, weekly meeting in which a CAADAC- (California Association of Alcoholism & Drug Abuse Counselors) certified instructor discusses Reality Therapy, Choice Theory and the impact that choices/decisions can have on a Student's University experience.

CAMPUS FIRE SAFETY

In accordance with the Higher Education Opportunity Act (Public Law 110-315) of 2008, LMU is providing mandatory fire safety information as part of this Annual Report. (Detailed fire data for all on-campus student housing facilities can be found at the end of this report).

XLVI. Fire Safety Tips

FIRE ALARM

First, feel the door with the back of your hand.

If warm:

- DO NOT OPEN THE DOOR.
- Wedge a wet towel or cloth item at the base of the door and on air vents.

- Close as many doors as possible between you and the fire, and stay near the floor.
- Call 9-1-1.
- Wave a piece of cloth (e.g. sweater, jacket) out the window to notify rescuers of your location. If there is no window, tap on the wall at regular intervals to alert rescue crews.

If normal temperature:

- Open the door slowly.
- Leave and close the door.
- Stay close to the ground, if there is smoke.
- Evacuate and convene at the safe refuge area. DO NOT use the elevators.
- When safe to do so, always help those who need assistance.
- FIRE OR SMOKE IN YOUR IMMEDIATE VICINITY
- Only if it is safe, should you try to put out the fire yourself using a fire extinguisher.
- Call 9-1-1.
- Activate the nearest fire alarm pull station, if safe to do so.
- If smoke is present, evacuate by crawling to the nearest exit. DO NOT use elevators.
- Close the door as you leave to contain the fire (if applicable).
- When safe to do so, always help those who need assistance.

ONCE OUTSIDE THE BUILDING

- Report to the designated safe refuge area, and position yourself at least 50 feet away from the affected building(s).
- Check in and stay with your Building Captain, Emergency Response Team member, Resident Assistant or Resident Director.
- DO NOT re-enter the building until you are authorized to do so by the Los Angeles Fire Department or the Department of Public Safety.

Report all fires, regardless of size, and any fire extinguisher that has been used to Public Safety.

XLVII. Reporting Campus Fires

If Listed below are the non-emergency numbers to call to report fires that have already been extinguished in on-campus student housing, you are unsure whether Public Safety may already be aware. If you find evidence of such a fire or if you hear about such a fire, please contact one of the following:

Public Safety
310.338.2893

Student Housing Office (SHO)
310.338.2963

When calling, please provide as much information as possible about the location, date, time, and cause of the fire.

XLVIII. Fire Statistics

All reports of fires and fire alarms are maintained in a database within the Public Safety. Data collected includes, but is not limited to, the building name; time and date of fire; the number and cause of each fire; any and all injuries; any fatalities; and dollar values for property damaged by the fire (as assessed by LMU Risk Management).

LI. Fire Safety & Training

Public Safety conducts fire safety training with the Residence Life Staff during annual summer Resident Assistant (RA) training. Sessions are held covering emergency response, fire safety, fire evacuation protocol, and the role of an RA in any fire emergency.

The RAs are responsible for training their residents on fire and emergency evacuation protocol in their floor meetings at the beginning of the year. The RAs play an active role in the fire drills conducted by the Professional Residence Life Staff in collaboration with Public Safety. Residents are not notified of the time or date of the fires drills.

Fire safety has always been and continues to be a high priority at LMU.
