## A MESSAGE FROM THE VICE PRESIDENT FOR CAMPUS SAFETY AND SECURITY

The core mission of the LMU Department of Public Safety (“DPS” or “Public Safety”) is to create a safe environment for the entire Loyola Marymount University community. Safeguarding our campus and supporting an environment in which students, faculty, and staff are free to learn, live, and work, is an undertaking that we take very seriously.

Our ongoing commitment to public safety is reflected in the range of services that we provide, including proactive patrol, 24/7 dispatch, emergency response, investigations, emergency management and disaster preparedness, security technology, and environmental health and safety.

We strive to empower every Lion with the information they need to prepare and protect themselves. To that end, in addition to safety and preparedness campaigns, trainings, and drills, it is our wish that the Annual Fire Safety and Security Report serves as a valuable resource.

On behalf of myself and my colleagues within the Department of Public Safety, thank you for taking an interest in the shared well-being of our community. We look forward to continuing to serve you in the year ahead.

Go Lions!

Devra Schwartz  
Vice President for Campus Safety and Security

## INTRODUCTION

### I. Loyola Marymount University

Loyola Marymount University offers rigorous undergraduate, graduate, and professional programs to academically ambitious students committed to lives of meaning and purpose. We benefit from our location in Los Angeles, a dynamic city that brings into sharp focus the issues of our time and provides an ideal context for study, research, creative work, and active engagement. By intention and philosophy, we invite men and women diverse in talents, interests, and cultural backgrounds to enrich our educational community and advance our mission:

- The encouragement of learning
- The education of the whole person
- The service of faith and the promotion of justice

The University is institutionally committed to Roman Catholicism and takes its fundamental inspiration from the combined heritage of the Jesuits, the Marymount Sisters, and the Sisters of St. Joseph of Orange. This Catholic identity and religious heritage distinguish LMU from other universities and provide touchstones for understanding our threefold mission.

### III. Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

The Jeanne Clery Act is a consumer protection legislation enacted in 1990. The goal of the Clery Act is "to ensure students, prospective students, parents, and employees have access to accurate information about crimes committed on campus as well as campus security procedures." This law requires all colleges and universities that receive federal funding to share information about crimes that occur on campus as well as information regarding the college or University's efforts to improve campus safety. (For more information, please visit the [Clery Center](#))

This Annual Security Report is organized in eight sections:

1. Personal safety tips and on-campus, LMU resources
2. LMU policies and procedures regarding campus safety and security, including those that address timely warnings and emergency notifications; options for survivors of sexual assault, domestic violence, dating violence, and stalking; and campus crime reporting processes
3. LMU's prevention, preparedness, and awareness campaigns and programs
4. Student Conduct Code Guidelines, Procedures, and Sanctions

The Annual Security Report provides information for the previous calendar year; this Annual Security Report reflects 2019 information. Public Safety publishes the Annual Security Report [online](#) annually by October 1, as required by the Clery Act. This year, due to the COVID-19 pandemic, that deadline has been extended to December 31, 2020.

You may access it online, request a copy be sent to you by calling Public Safety at 310.338.2893, or request a copy in person at LMU Department of Public Safety, 1 LMU Drive, Foley Annex Suite #100, Los Angeles, California, 90045.

Public Safety issues an email notification to all enrolled students, current faculty and staff notifying the LMU community that the Annual Security Report is available and providing directions on how to access it online or obtain a hard copy. LMU Undergraduate and Graduate Admissions are provided with this information with the intent of making the Annual Security Report readily available to prospective students and parents and prospective faculty and staff, respectively.

## LMU SAFETY AND SECURITY POLICIES AND PROCEDURES

### V. Public Safety Security Authority

Public Safety's mission is to create and ensure a safe environment for the Loyola Marymount University community. The department's mission extends to all members of the LMU Community, including students, faculty, staff and guests. Public Safety consists of three units: Patrol Operations, Investigations, and Emergency Management & Administration, and the department is open 24 hours a day, 7 days a week, 365 days per year.

Public Safety responds to, investigates and documents known dangerous incidents or those that may cause a significant emergency. To facilitate this, Public Safety supervisors, in addition to leaders throughout campus, have been trained in the Incident Command System. When a significant emergency or dangerous incident is reported to Public Safety, Public Safety personnel will respond to the location (if safe to do so) and will relay facts observed in-person and using cameras, through the radio communication system, the department Microsoft Teams communication thread, and cellular phone communications both with the dispatch team, who in turn will notify Public Safety chain of command. If it is unsafe for Public Safety personnel to respond to the scene, as in the case of an active shooter on campus, the highest-ranking Public Safety staff member will assess if a legitimate emergency or dangerous situation exists based on information provided through reports from witnesses, cameras, and reports from Public Safety officers on patrol. As necessary, Public Safety coordinates its response with the Los Angeles Police Department and the Los Angeles Fire Department in addition to other local agencies depending on the nature of the event.

The highest-ranking Public Safety staff member who is on campus will be notified of the facts gathered from field personnel (and outside agencies, if applicable). This individual will initiate an internal notification process, beginning with the Vice President of Campus Safety and Security or designee. If necessary, Public Safety may convene department representatives and/or outside agencies that may have a role in confirming the incident, responding to it, and/or managing the recovery. When he/she has enough information to verify that a legitimate emergency or dangerous situation exists, he/she will immediately initiate the emergency notification/timely warning process.

Public Safety officers have the authority to ask persons for identification and to determine whether individuals have lawful business at LMU. See the [campus access policy](#) for further information. Public Safety officers are non-sworn and thus do not possess arrest authority.

The geographical jurisdiction of Public Safety officers is limited to the core campus area. Any criminal incidents will be referred to the local law enforcement agencies that have jurisdiction on the campus. Public Safety maintains a highly professional working relationship with the Pacific Division of the Los Angeles Police Department. LMU and LAPD have entered into a written Memorandum of Understanding (MOU) establishing the respective duties of LMU and LAPD relating to the investigation and reporting of crimes on and around the LMU Campus. Additionally, LMU Public Safety, LAPD and the Rape Treatment Center at Santa Monica-UCLA Medical Center have entered into a written MOU for purposes of addressing Sexual and Interpersonal Misconduct incidents. All crime victims and witnesses are strongly encouraged to immediately report crimes to local law enforcement and Public Safety. Prompt reporting will assure timely support to those impacted by the incident as well as timely warning notices and disclosure of crime statistics.

Emergency management, including: preparedness, response, recovery, mitigation and protection are priorities on our campus. Public Safety is responsible for leading and coordinating the emergency management program with significant guidance from the LMU Emergency Management Committee, a group of approximately 40 representatives from across campus departments, colleges, and schools and the Building Captain/Emergency Response Team Program, which has active participation of over 250 faculty and staff.

LMU maintains a comprehensive Emergency Operations Plan, which is coordinated and maintained by Public Safety with significant input from Academic Affairs, Student Affairs, Administration, Business and Finance, and University Relations. The plan includes the expectations of departments during an emergency; department operational responsibilities; the process for establishing incident priorities; Incident Command Structure for field response; and Emergency Operations Center (EOC) procedures and protocols. The University practices and tests the Emergency Operations Plan and response procedures through numerous drills, tabletop, functional exercises and tests of the emergency notification system.

### VI. LMU Partnership with Local Law Enforcement

LAPD Pacific Division  
12312 Culver Blvd  
Los Angeles, CA 90066  
310.482.6334

LASD Marina del Rey Station  
13851 Fiji Way  
Marina del Rey, CA 90292  
310.823.7762

Public Safety liaises with local law enforcement agencies on an ongoing basis, including cooperating in crime prevention strategies and, in accordance with LMU's law enforcement MOU, exchanging information. The police also help to maintain a safer campus by providing extra campus patrols for special events that attract large crowds. Additionally, Public Safety relies on its close working relationships with LAPD and LASD to receive information about incidents involving students or any member of the LMU Community, and will actively investigate crime information it receives concerning or involving a member of the campus community. If Public Safety is notified of a situation in which a campus community member is the victim of a crime, the department may issue a Campus Safety Alert, detailing the incident and providing tips so that other community members may avoid similar incidents.

Public Safety regularly confers with the captain(s) of the local division(s) regarding any police activity on and around campus. Public Safety seeks cooperation of local law enforcement agencies in collecting crime statistics pursuant to the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

In addition, a list of registered sex offenders in California is available at the Los Angeles Police Department and Los Angeles County Sheriff's Department, or [online](#).

### VII. Campus Access

During the reporting period of this Annual Security and Fire Safety Report, LMU maintained an open

campus. Students, faculty and staff have access to academic, recreational and administrative facilities on campus. Access to the residence halls is limited to resident students and their guests, in accordance with University policy as stated in the Student Housing Policies. Access to the residence halls by University employees is limited to an “as-needed” basis. Please respect the safety concerns for all who live in the residence halls. Do not attempt to prop open any exit doors as they are alarmed and this is a serious violation of University policy.

The general public may attend educational, cultural and recreational events at specified locations on the LMU campus. The campus library permits public access with certain restrictions on the use of library materials and resources. Computer lab use is restricted to use by LMU students, faculty and staff personnel only.

Public or commercial access to any campus location must be cleared in advance with the appropriate campus official.

Campus Parking on LMU's campus is restricted and controlled 24 hours a day. LMU charges for parking Monday through Friday, 8am until 8pm. Permits may be obtained by visiting the [Department of Parking and Transportation website](#) or paying as you go through any Pay Station or ParkMobile. For further information on parking regulations, please refer to the [Parking and Transportation website](#).

#### **VIII. LMU OneCard**

All LMU community members are required to have an LMU OneCard, which is the official University ID card. The OneCard must be carried at all times while on campus. If for any reason a University official requests that you present your OneCard for identification, you must do so. Your OneCard is the only readily positive means of identifying you as a member of the LMU community.

#### **IX. Buildings and Grounds**

Facilities Management Department  
310.338.2761

Facilities Management maintains University buildings and grounds with a concern for safety and security. Public Safety and the Residence Hall Association, through patrols of buildings and grounds, informs Facilities Management of potential safety and security hazards, such as broken windows and locks and poorly lit areas.

#### **X. Missing Resident Student Procedures**

While many missing resident student reports at universities are the result of a student changing their normal routine and neglecting to inform their roommates, friends, and/or family of their whereabouts, Loyola Marymount University takes reports of missing resident students seriously. The University handles missing resident student reports pursuant to the following procedures.

The University defines a missing resident student as any currently enrolled resident student who has not been in contact with roommates, friends, family, faculty or staff for a reasonable period of time (usually a period of 24 hours) and whose whereabouts have been questioned and brought to the attention of a University official.

Any member of the University community who has reason to believe a student residing in on-campus housing has been missing for 24 hours should immediately contact Public Safety at 310.338.2893.

In addition to registering a general emergency contact, students residing in on-campus housing have the option to identify confidentially one or more individuals to be contacted by the University in the event he/she is determined to be missing for 24 hours, or is otherwise determined to be missing (“Confidential Contact”). A student who wishes to designate a Confidential Contact may do so at the same time he/she provides general emergency contact information or by contacting Student Housing. The Confidential Contact will remain until revoked or changed by the student. Additionally, the contact information provided by the resident student will be accessible only to authorized University officials and law enforcement in furtherance of a missing person investigation.

When Public Safety receives a missing student report, it will promptly initiate an investigation and notify the Dean of Students Office of the investigation. If a student has designated a Confidential Contact(s), the Dean of Students Office will notify the Confidential Contact(s) within 24 hours of the determination that the student is missing. In the event that the missing resident student is a minor (under the age of 18 years) and is not emancipated, the parent or legal guardian, if different than the designated Confidential Contact, will also be notified within 24 hours of the determination that the student is missing. Public Safety will notify the local law enforcement agencies, regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, within 24 hours of the determination that the student is missing.

#### **XI. Emergency Notification and Timely Warning**

When a violent crime or crime listed in the Clery Act is reported, it is the consistent practice of LMU to notify the campus community as soon as pertinent information about an incident is available, and is considered to represent a serious or continuing threat to campus. The decision to issue an emergency notification or timely warning shall be made on a case-by-case basis after consideration of the available facts, including but not limited to the nature of the crime, the continuing danger or risk to the campus community, and the possible risk of compromising the efforts of law enforcement or fire department officials. Such notifications shall be provided to students, faculty, staff and guests in a manner that is timely, that withholds as confidential the names and other identifying information of victims and that will aid in the prevention of similar occurrences.

In the event of an emergency, the following process for the issuance of a timely warning will be followed:

1. When it is confirmed that there is a legitimate emergency or dangerous situation (even if all pertinent details are unknown or unavailable), the highest ranking Public Safety staff on campus or their designee, without delay and taking into account the safety of the community, will determine the content of the notification and initiate the emergency notification/timely warning process, unless notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.
2. LMU will notify the entire campus community if there is a potential that the whole Campus or a significant portion of the community may be threatened by an incident. LMU may also choose to notify only a segment of the population if the nature of the incident and/or the potential impact is confined.

3. At times, significant incidents may occur that may have a direct or indirect impact on the neighborhood surrounding LMU. Examples of significant incidents include a fire, chemical or hazardous waste spill or a gas leak. Department of Public Safety and/or Facilities Management will communicate these (reported) issues directly to the local authority. Public Safety will confer with Marketing & Communications, Community Relations and local authorities to understand the potential impact on the neighborhood when considering disseminating an informational message or safety bulletin to the larger community. The decision to send out informational messaging to the larger community will be made by the PIO and the EOC Director/Incident Commander (Public Safety) with input from the Director of Community Relations (or designee). Note that any action items for the neighborhood (e.g. evacuation orders) will be wholly coordinated by the City of Los Angeles.

## **XII. Methods for Delivering Emergency Notifications and Timely Warnings**

### **A. Emergency Notification System**

B. The university has overlapping means of communication for use during emergency situations, including LMU Alert (automated email, text messages, phone calls, social media, push notifications and university website status) and public address announcements through all campus VOIP phones, bullhorns. Since Spring 2012, all registered students are required to enroll in LMU Alert, which includes the automated email, text message, and phone calls to personal devices. All faculty and staff automatically receive LMU Alert email messages at their LMU.edu email and phone calls on LMU-issued cellphones. Faculty, staff, members of on-campus religious communities, and Children's Center parents are encouraged to register their personal phone number and additional email addresses to ensure that they receive to alert notifications and can find information on how to register or update their LMU Alert contact information at [www.lmu.edu/alert](http://www.lmu.edu/alert). LMU students, faculty and staff can also download the Rave Guardian Mobile App to receive push notification messages and report incidents and information directly to Public Safety. Community members, parents and visitors are able to opt-in to SMS alerts by texting LMUions to 226-787.

### **C. Paper Bulletins and Bullhorns**

A designated Public Safety staff member may opt to post bulletins in Residence Halls and other high traffic areas throughout campus and/or may use bullhorns as a way of communicating information provided in Emergency Notifications, Timely Warnings or Safety Bulletins. Public Safety will strive to consult with appropriate departments depending on the nature, location of, and content of the bulletins and bullhorn announcements, however, in the event of an imminent threat to campus, Public Safety may post or make announcements without consultation from other departments to maximize timeliness.

### **D. University Website and Social Media**

Notifications via the University website and the official University social media accounts are the responsibility of the Vice President of Marketing & Communications or designee. A designated Public Safety staff member will assign someone to notify the Vice President of Marketing & Communications about the incident and the messaging that will be issued through LMU Alert and InformaCast, so they may maintain consistent messaging on the website and social media.

### **E. Notification to the LMU Community about an Immediate Threat**

The Department of Public Safety is responsible for issuing the primary notification to the campus community through LMU Alert and/or the Public Address system; the Shift leader on campus may delegate the notification task(s) to qualified, trained Public Safety representative(s), and will inform the

## LMU SAFETY AND SECURITY RESOURCES & PERSONAL SAFETY TIPS

### XIII. Emergency Assistance

Public Safety: 310.338.2893

Campus phones: Ext. 222

Los Angeles Police Department: 9-1-1

In a life threatening emergency, one should call 9-1-1 immediately, and then report the incident to Public Safety if possible, so Public Safety can assist and expedite with the first response provided by the Los Angeles Police Department and/or the Los Angeles Fire Department.

For all other urgent matters including suspicious activity or individuals, Public Safety can be contacted by phone (310.338.2893 or x222), via a campus emergency phone, or in-person in the Public Safety office located in Foley Annex or University Hall.

### XIV. Emergency Phones

Public Safety maintains emergency phones (call boxes) located in areas where cell phone reception may be unreliable, including underground parking garages and the basement of a building if it includes offices, learning spaces, or rooms utilized for other purposes. . An emergency phone is also available on the pool deck and the Children’s Center Yard as individuals may not have a cell phone available. To enhance visibility, a blue light may be affixed to each emergency phone. To operate the emergency phone, press the button and release it to activate it. The blue light will flash and a Public Safety officer will respond verbally. Give the dispatcher your location, and an officer will respond immediately. If possible, tell the dispatcher the nature of the emergency.

The following are the locations of the emergency phones on campus:

### XV. Incident Reporting Procedures

#### A. Reporting an Incident to Public Safety

Public Safety provides the LMU community with five modes for reporting an incident:

- [Online Form](#)
- By phone at 310.338.2893; or extension 222 from a campus phone (may also be used for anonymous reporting)
- Via email at public.safety@lmu.edu
- In Person at the Department of Public Safety in Foley Annex (Suite 100) or in University Hall (Elevator Lobby #1).
- Through the University’s RAVE Guardian mobile app.

Any individual wishing to submit an anonymous report of an incident or other emergency occurring on campus, may do so by calling Public Safety at 310.338.2893, by utilizing the [online incident report form](#) (and selecting “Anonymous” on the first page of the incident report form), or by two-way chatting with Public Safety on the Rave Guardian mobile app.

As set forth in LMU’s Violence-Free Campus Policy, confidentiality of complaints and parties will be preserved to the greatest extent possible, understanding that the University may have an obligation to take some action even if the Complainant is reluctant to proceed. The University encourages accurate and prompt reporting of all crimes to Public Safety and the appropriate law enforcement agencies, when the victim of a crime elects to, or is unable to, make such a report. University pastoral and professional counselors, if and when they deem it appropriate, inform persons they are counseling to report crimes on a voluntary, confidential basis. For further information on this, or to see the policy in its entirety, please visit the [Violence Free Campus Policy](#).

Public Safety will respond to and investigate all reports of on-campus criminal incidents. If appropriate, incidents will subsequently be assessed and shared with key administrators, Human Resources, University Title IX Coordinator and the Office of Student Conduct & Community Responsibility.

B. Additional On-Campus Reporting Resources

Incidents may also be reported to the following individuals on campus:

C. Campus Security Authorities

Public Safety includes all reported incidents in the University's Clery crime statistics. Typically, incidents are reported to Public Safety by the complainant or a witness. However, the federal government anticipates that some incidents will go unreported to Public Safety. Instead, individuals may share information about a crime with trusted faculty, staff, or student employees. To close the gap and ensure that Public Safety can provide accurate information about crimes committed on campus, the Clery Act requires that certain faculty, staff, or student employees report any information they receive pertaining to a crime—whether in progress or in the past—to Public Safety. Those faculty, staff, and students are referred to as Campus Security Authorities or CSAs.

The Clery Act provides four sets of criteria for universities to identify CSAs:

- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department as explained in definition number one such as an individual who is responsible for monitoring entrance into institutional property.
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses. This includes LMU's Title IX Coordinator.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus conduct proceedings. If such an official is a pastoral or professional counselor, the official is not considered a campus security authority when acting strictly in the capacity as a pastoral or professional counselor. 34 C.F.R. 668.46(a)

LMU has identified over 750 CSAs, all of whom have completed an online LMU CSA training and certification indicating that they have reported to Public Safety all incidents which have been disclosed to them. LMU CSAs are identified, verified and certified annually.

- E. Lost and Found  
Public Safety  
Foley Annex  
310.338.2893

Public Safety manages lost and found on campus, and strives to return lost property on campus to its rightful owner. Public Safety secures found property in accordance with the California Civil Code, Sections 2080-2080.10. In particular, Loyola Marymount University shall comply with Civil Code Section 2080.8. You can access the found item list online at [www.lmu.edu/publicsafety](http://www.lmu.edu/publicsafety) to determine whether your lost item(s) have been turned in to Public Safety. You may also use this website to report your lost item(s). Found property of value such as wallets or purses with money, credit cards, cell phones, valuable jewelry, valuable jewelry, prescription eyeglasses, etc., will be processed by a designated Public Safety staff member, and held for a 90-day period. If your LMU OneCard is missing, report the loss to the OneCard Office and Public Safety as soon as possible.

#### F. RAVE Guardian Mobile Application

On August 20, 2019, DPS launched LMU's Rave Guardian App, downloadable through the Apple App Store or Google Play Store. This free safety application allows LMU Students, Faculty, Staff the ability to receive LMU Alerts, communicate with Public Safety by text, report suspicious activity or safety-related incidents, and access important campus phone numbers, maps, and other on and off campus resources. Once you download the app and enter your phone number, a verification code directs users to a customized LMU dashboard.

Filing a Public Safety report is typically done either in person or over the phone. The reporting capabilities of the app allows for someone to communicate to the on-duty Public Safety Dispatcher in real-time, allowing the Dispatcher to assess the appropriate response. It also allows for anonymous reporting.

### XVII. Safety Tips

#### A. General Safety Tips

The only person responsible for sexual or interpersonal misconduct is the perpetrator, but it is understandable that we all want to do what we can to protect ourselves.

There are several precautions you can take in your apartment, room or suite to help ensure your safety.

- Remember, Public Safety and local law enforcement agencies are here to protect you. If you feel threatened in any situation, contact them right away.
- Have your OneCard and/or keys ready as you approach your building and/or vehicle.
- If you come home and it looks as if someone has entered your room or apartment in your absence, do not go inside. If on campus, call Public Safety. If off campus, call local law enforcement or dial 9-1-1. If someone is loitering outside or inside your building, or if you think you have been followed home, call Public Safety or the local law enforcement agency. It is better to be careful than to take an unnecessary risk.
- If a stranger knocks at your door, do not let them into your room. In residence halls, call Public Safety for assistance. Always ask to see identification before admitting anyone you do not know.
- Use only your last name and first initial on your door and mailbox. List your phone number the same way.
- It is recommended you do not give your personal information through public forums such social media.
- Draw all curtains and blinds after dark and never dress or undress in front of the window.
- The public areas of your building should be well lit. Notify Public Safety or your landlord if they are not.
- Check to see who is inside the elevator before entering. Wait for an empty or a crowded elevator

rather than riding alone with a stranger. Stand near the control panel. If you are threatened, press the emergency button or as many floor buttons as possible.

- Personal safety tips can be found online at [www.lmu.edu/emergency](http://www.lmu.edu/emergency). Additionally, throughout the year, this information is provided through training sessions, events, activities, student media, and a number of other outreach efforts.

#### B. On the Street

- Try not to walk alone after dark. Take the Lion Express or use the LMU Escort Service. If walking alone, always be aware of your surroundings. Walk in well-lit areas, and avoid quiet side-streets or alleys.
- Do not carry more cash than you need. If you must carry a purse, keep it close to your body and do not resist if it is snatched. If your wallet is stolen, cancel your credit cards and your checking account at once, and report the incident to local law enforcement.
- Los Angeles maintains beautiful parks. When entering remote areas in parks, be alert and avoid potentially dangerous situations.
- If someone is following you on foot, remain alert. Look behind you, cross the street and ask for help. If you are being followed by car, turn around and walk in the opposite direction. Try to get the license plate number and call the police.
- If a driver stops to ask directions, do not approach his or her car. Do not worry about appearing rude.
- When using automatic bank teller machines (ATMs), always be aware of the people around you. Be especially careful if the ATMs are located directly on the street. Try to use ATMs during daylight hours. If you are suspicious of any person near the ATM, do not continue the transaction. Try to have a friend accompany you to ATMs.

#### C. Public Transportation

- If you are traveling by public transportation, have your payment ready before you go to the stop.
- Try to stay near people at all times and pick a bus that is occupied by other passengers.
- If you are suspicious of anyone, notify the driver.
- Plan your route before you leave.
- Taxis are the safest — though most expensive — way to travel at night. If possible, agree on a price with the driver before you begin the trip. When you are dropped off at your destination, ask the driver to wait for you to enter your building.

#### D. Preventing Theft

- LMU has a program to deter theft by permanently identifying valuables.
- Contact Public Safety for assistance with an engraver to mark all of your valuable property.
- Keep a good photograph of anything you cannot engrave. You should also keep an up-to-date property inventory that includes detailed descriptions of the property, including model and serial numbers.

#### E. Precautions in Residence Halls and Off-campus Housing

- The University OneCard security system controls access to residence halls via card readers. An extra security feature for residents includes a 4-Digit PIN Code when accessing these card readers. There are certain precautions you should take to prevent burglary whether you live on or off campus:

- Keep your apartment, room or suite door locked at all times.
- Secure any valuables left inside, and never leave cash in your room.
- When you go out, lock your doors and windows.
- Always keep your keys and OneCard with you. Do not leave them under a mat or in your mailbox.
- Make sure your name, address and phone numbers are not on your key ring. If your keys or OneCard are lost or stolen, inform Public Safety at once. If you live off campus and your keys are lost, change your locks immediately.
- Change all of the locks when you move into an off-campus apartment.
- Do not leave any indications that you are not at home when leaving.
- Do not let anyone you do not know into your lobby. If you are suspicious of any person in a public area of your building, notify the residence staff or Public Safety at once. Do not confront the suspicious person.
- If you receive an obscene or harassing phone call, hang up immediately. If the caller persists, contact Public Safety.
- Bear in mind your own safety is worth much more than your property. Never take any personal risk that you can avoid. At the same time, however, it may be a good idea to obtain personal property insurance. This insurance may cover breakage and other damage to your property, as well as theft.

#### F. Precautions in Libraries and Common Areas

- Never leave your belongings unattended.
- Make sure you keep your bag, laptop or purse where you can see it, not on the floor by your feet or on the back of your chair.
- Do not keep valuable items in your coat pocket. Report any suspicious persons to Public Safety immediately.

#### G. Protecting your Vehicle or Bicycle

- Park your car in well-lit and busy areas.
- If you park in a commercial lot or garage with valet attendants, leave only the ignition key with the attendant. Always lock your car, even when you leave it briefly.
- Do not leave luggage, packages or other valuables inside that might tempt a thief.
- If your vehicle is equipped with an alarm system, use it. If it does not, consider purchasing one.
- Always lock your bicycle. A key operated, steel U-shaped lock is recommended. Be sure to use your lock to secure at least your back wheel and frame to a bicycle rack or similar immobile object.
- On campus, use only authorized bicycle racks.
- Never lock your bicycle by the front or back wheel alone.
- Also, lock your bicycle in a well-lit area where pedestrian traffic will discourage theft.

#### H. Physical Security for Computers

- Help prevent computer theft by securing your computer via your preferred method.
- Universal notebook security cables and computer recovery software is recommended.

#### I. Digital Security

- Always protect your digital information located on your computer or mobile device by using a strong password that only you know.
- Never share your password with anyone. Immediately delete all suspicious emails.

- No legitimate business or government agency will ever ask for personal information via email or phone unless you initiate the contact.

#### J. Solicitors on Campus

- If you are approached by an unknown solicitor, politely, and firmly decline the request or product that is presented. If you are approached by an unknown solicitor anywhere on campus, contact Public Safety immediately.

#### K. Sexual and Interpersonal Misconduct - Safety Tips

The only person responsible for sexual or interpersonal misconduct is the perpetrator, but it is understandable that we all want to do what we can to protect ourselves.

- If possible, do not walk alone at night. Any time you feel unsafe while moving about campus, call Public Safety for an escort at (310) 338-2893 or 222 from a campus phone.
- Always remain alert and aware of your surroundings. Scan parking lots, sidewalks and streets for suspicious persons and activity.
- Look confident and purposeful when you walk.
- Don't accept drinks from other people, and open drink containers yourself.
- Be aware of what you are drinking; do not drink from large open containers like punch bowls.
- Keep your drink with you at all times. Cover it with your hand when you are not drinking it to prevent somebody from pouring in other contents.
- If you feel like the effect of the alcohol you are consuming is stronger than usual, stop drinking and get help right away. Designate a sober friend when you are drinking.
- Be cognizant of the "party bus" culture. Although the idea is that a bus is a safe method of transportation to and from local bars, it should not be an opportunity to engage in risky behavior.
- Report suspicious activity or persons to Public Safety at (310) 338-2893 or 222 from a campus phone, or call 9-1-1.
- If you think you have been the victim of a sexual assault, go to a safe place and get medical assistance right away. For more information about sexual assault, consent and how to get help, visit [LMU CARES](#).

## **SAFETY, SECURITY, AND AWARENESS DRILLS, CAMPAIGNS, AND PROGRAMS**

### **XVIII. Emergency Drills**

#### **A. Evacuation Drills**

LMU tests emergency response and evacuation procedures in housing and non-housing buildings every year to educate and train building occupants on evacuation procedures, emergency exits, the sound of the fire alarm and the location of the safe refuge area; test the operation of fire systems; and practice response procedures.

Through Student Affairs, all Residence Halls participate in an evacuation drill one time per semester (twice per academic year). In concert with the Building Captain and Emergency Response Team program, the Public Safety coordinates and conducts evacuation drills of office suites and non-housing buildings throughout the year, monthly drills for the Children's Center, and summer drills for conference/event guests.

Most evacuation drills are unannounced and are conducted by Public Safety in coordination with Residence Life or the Building Captain, with support from Facilities Management and Parking and Transportation.

Public Safety and Residence Hall staffs or the Emergency Response Team Member(s) (as applicable), evaluate and document egress and behavioral patterns during each drill, when possible. The LMU fire systems are managed and maintained by the Facilities Management Department.

Following all drills, participants are convened at the Safe Refuge Area to debrief and/or receive additional tips and information. Different methods are used depending on the nature of the building and the size of the group. Public Safety, with input from the Residence Hall staff or Emergency Response Team Member(s) evaluates each drill and determines necessary corrective actions.

Every emergency drill and exercise is documented, including the date, time, description, whether it was announced or unannounced, a count of the target population, and the location. All drill and exercise records are retained by Public Safety.

#### **B. Annual Earthquake Drill**

Public Safety conducted the annual LMU earthquake drill on October 17, 2019 in partnership with the USGS Great California Great Shakeout. The drill tested individual preparedness for an emergency and provided classes, offices, dining facilities, William H. Hannon Library, Burns Recreation Center and other areas on campus with an opportunity to practice, test, and learn about potential safety and preparedness actions. The exercise also allowed Public Safety to test the LMU Alert systems and the public address system. To promote involvement in the earthquake drill, Public Safety hosted a preparedness fair, partnered with representatives from local emergency management and related organizations to provide training, preparedness and response information, and supplies to participants.

#### **C. Annual Active Shooter/Shelter In-Place Drill**

On February 28, 2019 Public Safety conducted an all-campus active shooter/shelter-in-place drill. During the drill, students, faculty, and staff were asked to either physically shelter-in-place or participate in a discussion regarding active shooter/shelter-in-place tactics and strategies.

#### **D. Annual Emergency Exercise**

Public Safety also conducts one emergency response exercise annually. On November 11, 2019, Public Safety coordinated and implemented a Continuity of Business Operations Tabletop Follow-Up Exercise. There were 14 participants from multiple LMU departments, including Administration Division, Office of the Provost, Information Technology Services, Controller's Office, Public Safety, Marketing & Communications, Athletics, Student Affairs and Enrollment Management. Critical actions are discussed including the development of a plan to ensure business continuity in the event of an incident, managing the impact of such disruption, and best practices for the campus community at large. This exercise was a follow-up to the introductory exercise conducted in October of 2018. This follow-up served to evaluate the effectiveness of continuity of business operations plans for each of the 18 areas on campus, against various campus emergency scenarios.

### **XIX. Crime Prevention Education and Awareness**

Crime prevention is a high priority at LMU. Living in a large city requires students, faculty and staff to practice sound crime prevention techniques when walking at night, riding public transportation, safeguarding property or the like. A Public Safety manager or investigator follows up on all reports of criminal activity by contacting the complainant to ensure that a thorough investigation is conducted. Where appropriate, local law enforcement referrals are made.

Crime prevention lectures concerning personal property and safety are presented to various groups and campus organizations. During orientation week, the University begins this educational process by sharing crime prevention information with incoming students. Throughout the year, Public Safety offers a variety of programs on specific ways to safeguard one's property and person. Safety and security information and training are continually provided to students, staff and faculty through bulletins and crime alerts.

The University educates the campus community about sexual and interpersonal misconduct through orientations and educational programming throughout the year. Additional information is available through the LMU CARES Program. For more information on the LMU CARES program, please visit [LMU CARES](#).

Useful tips on crime prevention are available from LMU's Public Safety via informal lectures that can be scheduled for any size group.

E. LMU Emergency Management

One of the goals of LMU Emergency Management is to empower our community to protect themselves during and immediately following an emergency. To that end, LMU Public Safety conducts an annual Emergency Preparedness Campaign, dedicating each month of the academic year to one of the following preparedness themes: active shooter, earthquake, fire, flu/communicable disease, tsunami, power outage and general preparedness. Through this campaign, information is made available to the LMU community through innovative programming and public information messaging.

Public Safety conducts specific Emergency Preparedness training on an ongoing basis. The training is open to the entire University community and covers prevention, preparedness and safety tips related to fire, earthquake, power outage and active shooter, along with other resources available on the [Emergency Management](#) website.

## STUDENT CONDUCT CODE

LMU provides its Students with an academic environment conducive to the pursuit of knowledge. This academic environment is based upon accountability, integrity, respect and trust among all members of the University Community.

### **XX. Office of Student Conduct & Community Responsibility Mission Statement**

Operating within the context of the University's mission, the Office of Student Conduct & Community Responsibility seeks to maintain the University's academic environment by educating and upholding community standards. The Office of Student Conduct & Community Responsibility supports the educational mission of the University by administering the Student Conduct Code ("the Code" or "Student Conduct Code") in a manner that educates Students, holds them accountable for Student Conduct Code violations and helps them grow into more responsible and community-minded persons.

### **XXI. General Guidelines**

The Student Conduct Code clarifies the standards of behavior essential to the University's educational mission and its community life. Excepting Loyola Law School students ("Law School Students") who are subject to the Law School's disciplinary code, the Student Conduct Code is applicable to all LMU Students—undergraduate, graduate and continuing education/Extension. Students are also responsible, and will be held accountable, for the conduct of their Guests.

#### **A. Interpretations of the Student Conduct Code**

Student Conduct Code regulations are set forth in writing in order to give Students general notice of prohibited conduct. The Code and its regulations are intended to be read broadly and are not designed to define misconduct in exhaustive terms. Attempts to commit acts prohibited by this Code shall be handled and remedied in the same manner and to the same extent as completed violations.

#### **B. Jurisdiction of the University**

Jurisdiction extends to conduct that occurs on University Premises, in Study Abroad programs and/or at on and off campus University events, programs or activities, as well as to other off-campus misconduct that adversely affects the University, Students, the University's reputation or good will and/or the pursuit of the University's mission, goals and objectives.

#### **C. Inherent Authority**

The University reserves the right to take necessary and appropriate action to protect the safety and well-being of the University, including its reputation and good will, and the University Community. The University reserves the right to take necessary and appropriate action as a result of Student incidents off campus that may adversely affect the well-being, reputation or good will of the University, University Community, University Community members and/or the pursuit of the University's mission, goals or objectives.

#### **D. Code as Superseding Authority**

This Code shall supersede any and all regulations and/or decisions made by Registered Student Organizations and their affiliates including, but not limited to, the Associated Students of Loyola Marymount University (ASLMU), Graduate Students of LMU (GSLMU), United Greek Council (UGC), Collegiate Panhellenic Council (CPC), InterFraternity Council (IFC), Residence Hall Association (RHA), and

the Service Organization Council.

#### E. Student Participation

Students are asked to assume positions of responsibility in connection with the enforcement of the Student Conduct Code so that they might contribute their skills and insights toward the resolution of Student Conduct Code matters. However, final authority in Student Conduct Code matters is vested in the University administration and primarily with the Senior Vice President for Student Affairs.

#### F. Focus of the Proceedings

The primary focus of the inquiry in all Student Conduct Code proceedings shall be to determine if the subject Student is responsible for the alleged violation of the Student Conduct Code and, if the Student is found to be responsible for a violation, to provide the appropriate remedy. Proceedings shall be prompt, fair and impartial.

In keeping with the mission of the OSCCR and the purpose of the Code, Student Conduct Code proceedings (including those that provide for cross examination) are not intended to materially emulate judicial processes or proceedings in the criminal justice system. This is because Student Conduct Code proceedings are intended to be educational, less formal, less adversarial and less complex than criminal justice processes and procedures, while still seeking the truth in a fundamentally fair manner. Formal rules of evidence shall not be applicable nor shall deviations from prescribed procedures necessarily invalidate a Student Conduct Code decision or proceeding.

#### G. Violations of Law and the Student Conduct Code

Students may be subject to criminal, civil and University proceedings for acts that constitute violations of federal, state or local law and of the Student Conduct Code. Because of the need to efficiently, effectively and promptly protect the academic environment, University life and operations, Student Conduct Code proceedings are independent and will normally proceed without regard to the pendency or potential pendency of criminal or civil proceedings.

Students subject to potential or actual criminal charges relating to conduct alleged in pending Student Conduct Code proceedings may assert their Fifth Amendment privilege against self-incrimination during Student Conduct Code proceedings. While no inference of responsibility for Student Conduct Code violations will be drawn because of the assertion of the Fifth Amendment privilege, the Conduct Officer(s) will nonetheless evaluate all available information, testimony and evidence in making their determination.

#### H. Burden of Proof

Depending upon the nature of the claim and proponent of the Student Conduct Code complaint, the burden of proof shall be upon the proponent of the complaint, as the case maybe, the Complainant or the University, who must establish the responsibility of the Respondent for the alleged Student Conduct Code violation(s) by a Preponderance of the Evidence.

#### I. Limitations Period

Claims should be brought within a reasonable period of time which, in all cases, shall be not less than the period of time during which the putative Respondent is a Student and subject to the Student Conduct Code.

#### J. Communication

Students should expect that OSCCR's primary and often exclusive medium of communication will be through the Student's official University e-mail account. OSCCR may also, at its discretion, communicate to Students via any one or more of the following methods: U.S. Mail or parcel delivery (e.g. FedEx) to the Student's permanent address on file, and/or personal hand delivery. Students are held responsible and accountable for retrieving communications from their official University e-mail account on a daily basis. Failure to do so is not an acceptable excuse for avoiding or delaying the Student Conduct Code processes.

#### K. Registered Student Organizations

Registered Student Organizations may be charged with the violation of any section of the Code or violation of any published University policies and procedures. A Registered Student Organization and its officers may be held collectively and individually responsible when those associated with the Registered Student Organization violate the Code, particularly when those involved have received the tacit or overt consent or encouragement of the organization, its leaders, officers or spokespersons. The officer(s), leader(s) or any identifiable spokesperson(s) for a Registered Student Organization may be directed by the Dean of Students, or designee, to take appropriate action designed to prevent or end violations of the Code by the Registered Student Organization. Sanctions for organizational misconduct may include revocation of recognition or denial of registration as well as any other appropriate sanctions, pursuant to Section XXIII of the Annual Security Report.

OSCCR may notify any and all necessary University officials who act in a liaison or advisory capacity for the subject Registered Student Organization(s) of alleged violations of the Code by the Registered Student Organization(s) and the outcome of proceedings regarding alleged violations by Registered Student Organization(s). Registered Student Organizations with a national governing body may be permitted to substitute one Advisor outside of the LMU community if an on-campus Advisor is not reasonably available to assist, but that outside Advisor may not be a lawyer or law student.

#### L. Scheduling Student Hearings

In scheduling hearings, pre-hearing meetings and other proceedings, OSCCR will reasonably attempt to avoid conflicts with class and academic schedules for those involved but may not be able to do so. Individuals involved in the Student Conduct Code processes are required to attend scheduled hearings, pre-hearing meetings and other proceedings notwithstanding class or academic conflicts.

#### M. Reservation of Rights

The University expressly reserves the right to revise, supplement or withdraw any Code section, University policy or portion of a University policy periodically as it deems necessary. Upon the declaration of a campus emergency, all student policies and procedures remain in effect. However, the Senior Vice President for Student Affairs, or designee, may temporarily suspend and/or revise existing policies, procedures or processes for the health and safety of the campus community and to assist and support the University's efforts during the emergency and subsequent recovery.

#### N. Knowledge and Awareness of Policies and Code

Students are expected to know and understand University policies. Ignorance is not an acceptable justification or defense for committing violations of University policies or the Code. Lack of intent or awareness of such policies or Code will not be accepted as an excuse or defense for violations, and will generally subject the Respondent to the same consequences as deliberate violations. The Student Conduct

Code is [available online](#).

The Student may also be restricted from eligibility for or participation in present and future student and University activities, including, but not limited to, co-curricular and organizational activities, ASLMU positions and activities, Resident Advisor positions, Study Abroad programs, orientation leadership positions and other student leadership positions. Notification of disciplinary probation may be sent to the appropriate University offices and officials.

#### **C. Disciplinary Warning**

The Student is given verbal and/or written warning that future misconduct may result in more severe disciplinary action.

#### **D. Dismissal from the University**

Permanent separation of the Student from the University. Permanent notification may appear on the Student’s University transcript. The Student will also be banned from campus and University Premises. The sanction of dismissal requires the review and approval by the Senior Vice President for Student Affairs, who may alter, defer or suspend this recommended sanction. Any alteration, deferral or suspension of this sanction may be subject to specified conditions.

#### **E. Educational Programs**

The Student is assigned to attend educational programming (e.g. Heads UP!, Choice Theory) or participate in online educational programming (e.g. , E-Chug, E-Toke, Under the Influence, Marijuana 101) to increase awareness of the effects and issues related to alcohol, drugs and other behaviors. When possible, a student-run Alcoholics Anonymous is offered on campus as well as Al-Anon.

#### **F. Fines**

A monetary fine may be imposed or assessed to a Student’s account.

#### **G. Housing Probation**

The Student is given written notice that any further infractions of the Code, University policies or Housing policies may result in removal from University housing and/or determination that the student be ineligible for or restricted from present and future housing opportunities. The Student is required to meet with their Resident Director or Housing designee within two weeks of being placed on housing probation.

#### **H. Ineligibility for Graduation and/or Participation in Ceremonies**

Prohibition from participation in graduation ceremonies. Prior to graduation, Students charged with an alleged Code violation in which the charges have not yet been adjudicated, may in the University’s discretion be prohibited from graduating or participating in graduation ceremonies until the Student Conduct Code proceedings have been adjudicated and, if found responsible, sanctions completed.

#### **J. Removal from or Relocation within University Housing**

Students who demonstrate that they are unable to live in University Housing Facilities or particular University Housing Facilities as, for example, evidenced by material and/or repeated Code or policy violations may be relocated to another University Housing Facility, or have their University housing license agreement terminated. If removed, a Student may be prohibited from University Housing Facilities and ineligible for future University housing. Students may also be relocated or removed from University Housing Facilities on an interim or temporary basis as an appropriate interim measure. Interim measures are not sanctions and no adverse finding or determination of misconduct may be made or inferred from the imposition of any interim measures.

#### **K. Restitution**

The Student may be required to make financial payment to the University for amounts assessed or incurred as a result of a determined Code violation. Restitution payments between individual Students or Registered Student Organizations will not be sanctioned, mandated or administered through the conduct process.

#### **L. Restriction from Campus, University Premises, Facilities or Events**

Excluding a Student from campus, University Premises, University facilities or events means that the Student is not allowed to be on the campus, University Premises, at University facilities or in attendance of an event for or during specific time periods. Restriction may include authorizing access to limited University Premises or facilities for specific purposes (e.g. to attend class).

#### **M. Suspension from the University**

Separation of the Student from the University for a stated period with an opportunity for reinstatement consideration. Permanent notification of the suspension may appear on the Student’s University transcript. While suspended, the Student is ineligible for and shall not participate in any University-sponsored activities and may be excluded from campus and University Premises. Suspended time will not count against any time limits of graduate schools or programs for completion of a graduate degree. The sanction of suspension requires the review and approval of the Senior Vice President for Student Affairs, who may alter, defer or suspend this recommended sanction. Any alteration, deferral or suspension of this sanction may be subject to specified conditions.

#### **N. Other Sanctions**

The University and its Conduct Officers and Hearing Boards retain the right to impose additional and/or different sanctions according to the specific circumstances and needs of a situation including, but not limited to, loss of on-campus driving/parking privileges, loss of network privileges, other conditions and

#### **XXV. Student Procedural Protection**

##### A. Referrals

Suspected violations of the Code, including those discovered during the adjudication and/or investigation of Student Conduct Code proceedings, shall be submitted to OSCCR. Persons making such referrals are required to provide information pertinent to the case and may be asked to appear before a Conduct Officer/Hearing Board.

##### B. Student Conduct Code Hearings

The Chief Conduct Officer, or designee, shall review referrals to determine whether or not there is sufficient evidence to charge a Student with a violation of the Code and whether to hold a Student Conduct Code hearing.

##### C. Hearing Process

Students charged with Code violations of misconduct that do not present the potential for severe sanctioning (suspension or dismissal from the University) are accorded the following procedural protections:

- A written or electronic notice (generally, via the official University e-mail account) of alleged facts underlying the misconduct charge(s), the location of the Student Conduct Code, a scheduled hearing with a Conduct Officer or applicable Hearing Board (or instructions on how to schedule the hearing) and timely notice of that hearing. Students who fail to appear after timely notice will be deemed to have admitted the alleged misconduct and accepted responsibility for the charges asserted against them (failure to check one's University e-mail account is not sufficient justification for not attending a scheduled hearing);
- A hearing during which the Conduct Officer/Hearing Board shall again specify the facts underlying the alleged misconduct and provide the Students the opportunity to review the information gathered by the University, including time, date and place where the behavior is alleged to have occurred,

that makes up the basis for the charge(s). Students shall have the opportunity to present evidence relevant to the alleged misconduct and to respond to the information gathered by the University in support of the charge(s), including the right to offer counter or explanatory information. Students may utilize the assistance of an Advisor during the hearing (see Section II(M)(1) of the Student Conduct Code for specifics of who is eligible to serve as an Advisor in these proceedings);

- During the hearing, the Conduct Officer/Hearing Board shall explain the University's conduct system and Student rights and make available the Student Conduct Code. The Conduct Officer/Hearing Board shall also explain the private nature of the conduct process (Students' statements remain private except in the event of multiple involved parties and/or Witnesses, in which case newly presented information may be mutually shared) and the fact that the hearing may become a part of the file relating to the case;
- Reasonable access to the evidence supporting the charge will be made available to the Students (Complainants and Respondents) prior to the hearing;
- If a further hearing or Witness meeting is necessary, a supplemental proceeding will be scheduled;
- Students or the Conduct Officer/Hearing Board may submit new and/or additional evidence and call appropriate fact (non-expert) Witnesses at the supplemental proceeding. Students shall have the opportunity to respond to any new or additional evidence that is presented for the first time at the supplemental proceeding;
- Students may utilize the assistance of an Advisor during the supplemental hearing;
- Students who wish to have the assistance of an Advisor must inform the presiding Conduct Officer in writing or via e-mail at least two Days prior to the scheduled date of the hearing. The Advisor's role is to assist Students in understanding the conduct process during hearings. Advisors may not address the Conduct Officer/Hearing Board or play any other role during hearings. All communication involving Advisors must be between the Advisor and Student. An Advisor may not appear in lieu of the Student;
- Sanctions shall be levied if it is determined that the Student is responsible for the alleged violation(s). If not, the charge(s) will be dismissed;
- Students may have the assistance of fact (non- expert) Witnesses. Expert Witnesses are not allowed and character Witnesses are disfavored. The Conduct Officer/Hearing Board must be notified in writing or via e-mail at least two days prior to the scheduled date of the hearing that the Student plans to provide Witnesses. These Witnesses must have relevant knowledge and information pertaining to the case;
- Complaints will be promptly investigated and adjudicated following the procedures set out in the Code;
- For compliance with Clery Act records retention requirements, all official conduct correspondence will be retained for a minimum of seven years;
- A Student's conduct history and record are cumulative; therefore, increased sanctions may be imposed to take into consideration the Student's overall record of violations of all types, not just those of a similar type.

D. Hearing Process for Misconduct Potentially Resulting in Severe Sanctioning (suspension or dismissal from the University)

Students charged with violations of the Student-on-Student Sexual or Interpersonal Misconduct Policy and Protocol, and/or whose alleged misconduct and asserted Code violations may result in severe sanctioning (suspension or dismissal from the University), are accorded the following procedural protections:

- A written or electronic notice (generally, via the official University e-mail account) of misconduct charges, the location of the Student Conduct Code, a scheduled pre-hearing meeting with an OSCCR representative (or the instructions on how to schedule the pre-hearing meeting) and timely notice of that pre-hearing meeting;
- A pre-hearing meeting at which:
  1. The Respondent (and separately the Complainant if applicable) may review all the information gathered by the University, including time, date and place where the alleged behavior/ misconduct is alleged to have occurred, that makes up the basis for the charge(s);
  2. The Respondent/Complainant may ask the OSCCR representative questions regarding the conduct process;
  3. Either the Respondent or the Complainant (if applicable) may provide the names of Witnesses not yet interviewed by Public Safety, whose statements may have value to the proceedings. In the event either a Respondent or Complainant provides Witnesses during the pre-hearing meeting, then the names of those Witnesses will be provided to Public Safety for formal interview, and the investigation report will be supplemented with their statements. Once the investigation report is updated with any additional Witness interviews and information, both Respondent and Complainant will be permitted another opportunity to review the updated report, evidence and information. If a Witness fails to meet with Public Safety for a formal interview, any prior or subsequent statements will not be utilized nor relied upon by the Hearing Panel in rendering its decision;
  4. The OSCCR representative shall explain the hearing processes to the parties including cross examination processes and procedures and Student rights and make available the Student Conduct Code. The OSCCR representative shall also explain the private nature of the conduct process (Student statements during the hearing with cross examination shall remain private except in the event of multiple involved parties, in which case newly presented information related to another Respondent may be mutually shared) and the fact that the hearing may become part of the file relating to the case;
  5. The Complainant is informed that no conduct record will be generated in regards to the Complainant, however the Complainant may be permitted future access to the conduct case file;
- Respondents and Complainants who wish to have the assistance of an Advisor should inform OSCCR in writing at least two Days prior to the scheduled date of the pre-hearing meeting. The Advisor's role is to assist Students in understanding the conduct process during pre-hearing meetings and hearings with cross examination. Advisors may not address the Hearing Panelists or play any other role during hearings. All communication involving Advisors during hearings must be between the Advisor and Student. An Advisor may not appear in lieu of the Student to either the pre-hearing meeting or the hearing with cross examination.
- A hearing with cross examination (conducted via videoconferencing) during which the Hearing Panel shall specify the nature of the alleged misconduct and provide the Respondent and the Complainant the opportunity to again review the information and evidence gathered by the University that make up the basis for the charge(s). Students shall have the opportunity to present evidence relevant to the alleged misconduct and to respond to the information gathered by the University, including the right to offer counter information and/or call appropriate fact (non-expert) Witnesses. Students may utilize the assistance of an Advisor during the hearing (see Section II(M)(1) of the Student Conduct Code for specifics of who is eligible to serve as an Advisor in these proceedings).

- The Hearing Process will proceed where a Respondent fails to appear after timely notice and a determination of the charged misconduct made based upon the facts and evidence submitted in support of the alleged misconduct at that hearing (failure to check one's email is not sufficient justification for not attending a scheduled hearing). A Student Complainant who fails to appear after timely notice will be deemed to have abandoned their complaint and the charges will be dismissed unless the University is presenting the case and the facts and evidence presented in support of the charged misconduct independent of the Complainant warrants the continuation of the conduct process;

E. The Respondent, via videoconferencing, will be permitted the opportunity to ask questions of the Complainant, and any Witnesses that appear either at the request of the Respondent, the Complainant or the University, in order to assess the credibility of the information offered. Conduct Officers on the Hearing Panel will be permitted to disallow a question asked by the Respondent if the Respondent is unable to provide sufficient rationale for the relevancy of the question. The Complainant, via videoconferencing, will be permitted the opportunity to ask questions of the Respondent, and any Witnesses that appear either at the request of the Complainant, the Respondent or the University, in order to assess the credibility of the information offered. Conduct Officers on the Hearing Panel will be permitted to disallow a question asked by the Complainant if the Complainant is unable to provide sufficient rationale for the relevancy of the question;

F. Both the Respondent and the Complainant will be permitted the opportunity to make a closing statement at the conclusion of the evidentiary portion of the hearing;

- G. If a further hearing is necessary, a supplemental proceeding will be scheduled:
- Respondents, Complainants or the Hearing Panel may submit new and or additional evidence and call appropriate fact (non-expert) Witnesses at the supplemental proceeding. Students shall have the opportunity to respond to any new or additional evidence that is presented for the first time at the supplemental proceeding;
  - Respondents and Complainants may utilize the assistance of an Advisor during the supplemental hearing;

H. Sanctions shall be levied if it is determined that the Student is responsible for the violation(s). If not, the charge(s) will be dismissed;

I. Complaints will be promptly investigated and adjudicated following the procedures herein outlined;

J. For compliance with Clery Act record retention requirements, all official conduct-related correspondence will be retained for a minimum of seven years;

K. A Student's conduct history and record is cumulative; therefore increased sanctions may be imposed to take into consideration the Student's overall record of violations of all types, not just those of a similar type;

L. Unless required by law, privacy laws prevent notification or disclosure to Student Complainants about the prior conduct history, if any, of the Respondent.

If a challenge is sustained, the charge shall be referred to another Conduct Officer/Hearing Board member;

F. Witnesses shall be asked to affirm that their testimony is truthful and may be subject to charges of providing false information pursuant to Section XXII (H) of the Annual Security Report;

G. The burden of proof shall be upon the Complainant who must establish the responsibility of the Respondent by a Preponderance of the Evidence;

H. Except as provided herein, formal rules of evidence and discovery shall not be applicable in proceedings conducted pursuant to the Code. The Conduct Officer/ Hearing Board shall give effect to recognized rules of privacy (including the Family Educational Rights and Privacy Act [FERPA]) and privilege but shall otherwise admit all matters into evidence which a reasonable person would accept as having probative value in the conduct of their affairs. The following procedural guidelines shall be applicable in conduct proceedings with potential severe sanctioning (suspension or dismissal from the University):

- A. The Hearing Panel may request Public Safety interview fact (non-expert) Witnesses;
- B. Hearings with cross examination will generally be private except for the Hearing Panel, parties and Advisors. Hearings with cross examination will be recorded via videoconferencing software utilized by the Hearing Panel only. - D. The decision of the Hearing Panel shall include a summary of the testimony and evidence in support of the findings, the findings, decision and applicable sanction(s). The decision shall be sufficiently detailed to permit review as provided in the Code and as authorized or required by law will be sent to both the Respondent and the Complainant;
- E. Prior to the hearing, Students may challenge a Hearing Panel member on the grounds of personal bias. Any such challenge must be made in writing to the Dean of Students, or designee, not less than two Days prior to the hearing. Unduly repetitious or irrelevant evidence may be excluded;
- I. Written statements, absent live testimony by the Witness that is subject to cross examination, shall not be admitted into evidence nor used for any purpose.

## **XXVII. Appeal Procedures**

- A. Any decision by a Conduct Officer, Hearing Panel or Hearing Board or disciplinary sanction assigned may be appealed by the Respondent to the Student Conduct Committee. In proceedings involving potential severe sanctioning (suspension or dismissal from the University) Student Complainants may also appeal the decision. Appeals to the Student Conduct Committee are limited to one or more of the following grounds:
1. The sanction is substantially disproportionate to the offense;
  2. The procedures provided for in the Code were not materially followed resulting in significant prejudice to the Appellant;
  3. New relevant evidence is available which in the exercise of reasonable diligence could not have been produced at the time of the hearing; or
  4. The decision is not supported by substantial evidence.
- B. All petitions for appeals shall be submitted to:  
The Student Conduct Committee  
c/o The Office of Student Conduct & Community Responsibility  
Malone 355  
OSCCR@lmu.edu
- C. Appeal petitions must be submitted by the involved Student party (Respondent or Complainant, if applicable) via written statement and received by the Student Conduct Committee c/o OSCCR within five Days from the date of the imposition of the original decision. Appeal petitions may not be submitted by Advisors or third parties (including, without limitation, lawyers or Law School Students) on behalf of the involved Student party. Failure to file the appeal petition within the five-day limitations period results in the decision becoming final and conclusive.
- Failure to comply with these procedures may result in the rejection of an appeal petition.
- D. Pursuant to either Section XXVII(A) the appeal petition must be accompanied by a written statement in support of the appeal. Upon notification of the receipt of a proper and timely appeal petition, the Chief Conduct Officer, or a designee, shall convene the Student Conduct Committee. If an appeal is made in a conduct case involving the potential for severe sanctioning (suspension or dismissal from the University), the non-appealing party (either Complainant or Respondent) will be notified of an appeal and be afforded the opportunity to submit a timely written statement in opposition to the appeal.
- E. In appeals of decisions in conduct cases without the potential for severe sanctioning (suspension or dismissal from the University), pursuant to Section XXVII(A), the Student Conduct Committee will review the Conduct Officer's/Hearing Board's summary of the testimony, findings and decision and the recommended sanction, the Student's disciplinary history and the written statement of the Student filed with the appeal petition.
- F. In appeals of decisions in conduct cases involving the potential for severe sanctioning (suspension or dismissal from the University), pursuant to Section XXVII(A), the Student Conduct Committee will review the video and audio recording of the live hearing, the findings, decision and recommended sanction (if applicable), the Respondent's disciplinary history and written statement of the Respondent and of the Complainant filed with the appeal petition or in response to the appeal petition.

G. The Student Conduct Committee may, but is not required to, request either the Conduct Officer/Hearing Board or the involved Student parties to submit additional information in writing. If the Conduct Officer/Hearing Board or any Student parties is/are requested to submit additional information, the Student parties not so requested shall be entitled to reply in writing to the additional written information supplied to the Student Conduct Committee.

H. So long as supported by the evidentiary record, the Student Conduct Committee shall give deference to the determinations of the Conduct Officer, Hearing Panel or Hearing Board, and may make one of the following recommendations:

1. Recommended sanctions may be reduced, if found to be substantially disproportionate to the offense or affirmed;
2. The case may be referred back to the Senior Vice President of Student Affairs, or designee, for reassignment to a new Conduct Officer, Hearing Panel or Hearing Board if specified procedural errors in interpretation of this Code were so substantial as to effectively deny the student a fair hearing or if significant new evidence became available which could not have been discovered by a properly diligent Student before or during the original hearing;
3. The determination should be reversed and the case should be dismissed if the decision is not supported by substantial evidence;
4. The Student Conduct Committee shall not alter the underlying decision of the Conduct Officer, Hearing Panel or Hearing Board if supported by substantial evidence and reasonable inferences arising therefrom.

I. In appeals of conduct cases involving the potential for severe sanctioning (suspension or dismissal from the University) in which the Complainant is a student, both parties shall have the opportunity to submit an appeal and absent an appeal by both parties, the non-appealing party shall have the opportunity to submit a written statement in either support or opposition to the extant appeal petition. Both parties will be notified of the results of the appeal.

J. Concurrent with the filing of an appeal petition, Complainants or Respondents may challenge a member of the Student Conduct Committee on the grounds of personal bias. All disqualification challenges of Student Conduct Committee members shall be determined by the Senior Vice President for Student Affairs, or designee. If a challenge is sustained, the proceedings will continue without the participation of the disqualified member in the event that a quorum exists with the remaining members. If disqualification results in the lack of a quorum a new Committee will be assembled without the previously challenged member.

K. Except as provided herein, formal rules of evidence and discovery shall not be applicable in these proceedings conducted pursuant to the Code. The Student Conduct Committee shall give effect to the recognized rules of privacy (including FERPA) and privilege but shall otherwise admit all matters into evidence which reasonable persons would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.

L. The Student Conduct Committee may take presumptive notice of matters that would be of general knowledge to other University Students.

M. The Student Conduct Committee shall be provided copies of the Student's disciplinary record when

reference to the Student's disciplinary history is included in the decision made by the Conduct Officer/Hearing Board.

N. A quorum for the Student Conduct Committee shall be three members with a minimum of one Student and one faculty member.

O. Procedural, evidentiary and final recommendations of the Student Conduct Committee shall be by majority vote of the members present and voting. A tie vote in an appeal proceeding will result in affirmation of the original decision. Procedural or evidentiary issues in any hearing before the Student Conduct Committee shall be determined by the Committee's presiding officer in accordance with the Code. The Student Conduct Committee shall give effect to the recognized rules of privacy (including FERPA) and privilege but shall otherwise admit all matters into evidence which a reasonable person would accept as having probative value in the conduct of their affairs. Unduly repetitious or irrelevant evidence may be excluded.

#### **XXVIII. Exceptional Procedures**

A. Violations of this Code that in ordinary circumstances may not result in a sanction of suspension or dismissal may nonetheless result in a sanction of suspension or dismissal if, in the view of the Senior Vice President for Student Affairs, suspension or dismissal is appropriate under all the facts and circumstances (e.g. intentional, malicious or aggravated violation, history of repeated Code violations, etc.). Such incidents will be adjudicated following the procedures outlined in Section XXVI.

B. The Senior Vice President for Student Affairs or designee may suspend a Student for an interim period pending Student Conduct Code proceedings or medical evaluation. Such interim suspension becomes immediately effective without prior notice whenever there is reasonable suspicion that the continued presence of the Student on the University campus poses a substantial threat to the health, safety or well-being of members of the University community or to unreasonably interfere with the stability and continuance of normal University functions.

C. A Student suspended on an interim basis shall be given an opportunity to appear personally for an interim suspension hearing before the Senior Vice President for Student Affairs or designee within three days from the effective date of the interim suspension to present his or her case to discontinue the interim suspension in accordance with Section XXVIII(D) below.

D. An interim suspension hearing shall determine whether the interim suspension should continue through the hearing and determination on the merits of the Student Conduct Code charge(s) because the alleged misconduct and surrounding circumstances reasonably indicate that the continued presence of the Student on campus pending the hearing and determination of the Student Conduct Code charge(s) poses a substantial threat to the health, safety or well-being of members of the University community or unreasonably interferes with the stability and continuance of normal University functions.

E. If, at the interim suspension hearing referenced in Section XXVIII(D) above, the Student's continued presence is determined to pose a substantial threat to the health, safety or well-being of members of the University community or to unreasonably interfere with the stability and continuance of normal University functions, the Senior Vice President for Student Affairs or designee may continue the interim suspension through the conclusion of the proceedings on the alleged Student Conduct Code violation.

F. In cases alleging sexual and interpersonal misconduct including Dating Violence, Domestic Violence and Stalking, the Senior Vice President for Student Affairs or designee may take interim measures, including, but not limited to, academic, residential, transportation and/or employment accommodations, intended to ensure the well-being of the Complainant, the Respondent, the investigatory process and/or the University community while the complaint is being investigated and prior to the determination on the charge. Any such interim measures shall not be referred to or offered as evidence at the hearing on the underlying charge. Any such interim measures shall be designed and implemented in a manner intended to achieve their purpose while at the same time limiting, to the extent practicable, any adverse effect to the Complainant and/or Respondent's educational program.

G. Final decisions of the Conduct Officer, Hearing Panel, Hearing Board or the Student Conduct Committee recommending a suspension or dismissal from the University shall be reviewed and approved by the Senior Vice President for Student Affairs. All other final decisions may be reviewed by the Chief Conduct Officer, or designee. The reviewing officer may change, defer or suspend the decision and sanction, or impose conditions in connection with any change, deferral or suspension.

H. Unless otherwise determined by the Senior Vice President for Student Affairs or designee, the imposition of sanctions will be deferred during the appeal process.

I. A conduct hold may be placed on a Student's file/account and a notation may be entered on the Student's University transcript when the Student has been dismissed or suspended from the University or has officially or unofficially withdrawn, taken a leave of absence or has been academically disqualified while Student Conduct Code proceedings are pending. In addition, when the Student has incomplete sanctions or open conduct cases and leaves the University for any reason, including, but not limited to, leave of absence, withdrawal or academic disqualification, a conduct hold will be placed on the Student's file/account and the Student may also be prohibited from entering campus during the period of the conduct hold. This conduct hold must be cleared before a Student will be allowed to return to the University.

J. In cases regarding allegations of sexual and interpersonal misconduct (including Dating Violence, Domestic Violence and Stalking) a notation may be entered on the Respondent's University transcript at the discretion of the University if the Student is found responsible for a specific sexual or interpersonal misconduct charge.

#### **XXIX. Restorative Justice Process**

The OSCCR may opt to postpone initiation of the conduct process in matters deemed potentially appropriate for a Restorative Justice Process.

The Restorative Justice Process is voluntary for all participants, and the appropriateness of such process must be concurred in by the University, and allows a Respondent to accept responsibility for the harm caused. As part of the successful completion of a Restorative Justice Process, the Respondent will not be charged with a violation of the Student Conduct Code. The Restorative Justice Process is designed to redress the harm caused by the underlying conduct and prevent its recurrence in a manner that meets the needs of the Complainant and effected parties while still maintaining the safety of the overall campus community.

If a Restorative Justice opportunity is not accepted or fully completed by all parties, then the matter may be referred back to OSCCR and the conduct process may at that time be initiated.

#### **XXX. Conduct Files and Records**

A. Case referrals may result in the development of a conduct file in the name of the Respondent that may be voided if the Respondent is found not responsible for the charges.

B. The files of Respondents found responsible for any of the charges against them will be retained as a conduct record for a minimum of seven years from the date of the letter providing notice of the final conduct action.

C. Conduct records may be voided and any records or notations related thereto purged by the Dean of Students for good cause following consideration of a written petition of Respondent. Among the factors considered by the Dean of Students in review of such petitions shall be:

1. The nature of the charge;
  2. The period of time that has elapsed since the violation;
  3. The present demonstrated demeanor and contrition of the Respondent;
  4. The demonstrated conduct of the Respondent subsequent to the violation; and/or
  5. The nature of the violation and the severity of any damage, injury or harm resulting from it.
- Decisions on petitions under this subsection are at the discretion of the Dean of Students.

D. When Students sign a release offered by internal (Study Abroad, University offices, etc.) or external (graduate schools, prospective employers, etc.) entities, this release allows the University to release student disciplinary information to these parties. Upon receipt of a request from an internal or external entity, and with appropriate signed release by the subject Student, the University reserves the right to report only those records in which violations resulted in a sanction of probation, suspension or dismissal from the University.

## STUDENT-ON-STUDENT SEXUAL AND INTERPERSONAL MISCONDUCT POLICY AND PROTOCOL

### XXXI. Introduction

LMU recognizes the significant, unacceptable and nationwide existence of sexual and interpersonal misconduct on college campuses. LMU is dedicated to the prevention of such misconduct and to providing a caring, supportive and effective response when such misconduct occurs. Accordingly, LMU encourages students and University Community members to report such misconduct so that the University can take appropriate responsive action.

Title IX of the Education Amendments of 1972 ("Title IX") is a federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. Under Title IX, discrimination on the basis of sex can include student-on-student Sexual Harassment or Sexual Assault including sexual violence, rape, sexual battery, sexual coercion, Sexual Exploitation and unwelcome intrusion into another's sexual seclusion or privacy, as well as interpersonal misconduct including Dating Violence, Domestic Violence and Stalking. The Division of Student Affairs has established this Student-on-Student Sexual & Interpersonal Misconduct Policy & Protocol to assist and respond to complaints of student-on-student sexual and interpersonal misconduct.

Students should report all forms of sexual misconduct (student-on-student; student and non-student; faculty/staff-on-student) and interpersonal misconduct to a Student Affairs professional, staff member, the Senior Vice President for Student Affairs, the Title IX Coordinator or by filing a report with the LMU Department of Public Safety, (310) 338-2893 (222 from a campus phone).

A Student Conduct Code case for alleged student-on-student sexual misconduct or interpersonal misconduct will be initiated and adjudicated. Sexual or interpersonal misconduct involving a Student and any non-student in the University Community is handled under the LMU Discriminatory Harassment and Complaint Process. Further information about the LMU Discriminatory Harassment and Complaint Process including the making and processing of complaints thereunder may be found at the Office of Student Conduct's [Student Code Policies](#). All persons, including University faculty and staff, are prohibited from taking any retaliatory action against any other member of the University Community including, but not limited to, the Complainant, Respondent or witnesses to an alleged incident of sexual misconduct or interpersonal misconduct. Any student engaging in any retaliatory action(s) will be subject to discipline under the Student Conduct Code and appropriate sanctions for determined violations may include dismissal from the University. Retaliation by non-students will be adjudicated and determined in accordance with the LMU Discriminatory Harassment and Complaint Process. Any Student who believes that they have been retaliated against for having filed, or being named in, a complaint for sexual or interpersonal misconduct or having participated in the investigation of such a complaint, should promptly notify the Department of Public Safety at 310.338.2893. Any person who believes that they have been retaliated against by a staff member should notify Human Resources at 310.338.2723. Any person who believes that they have been retaliated against for the above mentioned reasons by a faculty member on behalf of the University should notify Academic Affairs at 310.338.2733.

### XXXII. Policy

A. Under Title IX, schools are mandated to respond to two forms of sex-based harassment: Sexual Harassment and gender-based harassment. According to Title IX, Sexual Harassment is broadly defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal or physical conduct of a sexual nature including sexual violence. This policy applies to all Students, regardless of sexual orientation or gender identity. Under this policy, sexual misconduct includes all forms of Sexual Harassment under Title IX including sexual violence, such as rape, Sexual Assault, sexual abuse, sexual battery and sexual coercion. Interpersonal misconduct includes Dating Violence, Domestic Violence and Stalking. All forms of sexual and interpersonal misconduct are unacceptable and will not be tolerated, including acts that occur off campus.

Any Student alleged to have participated in sexual or interpersonal misconduct will be referred to the Office of Student Conduct & Community Responsibility and, if found responsible, will be subject to disciplinary action. Complainants of sexual and interpersonal misconduct are not required to be members of the LMU community; they may be third parties or others unaffiliated with the University. If a Complainant chooses not to participate in the University conduct process, the University reserves the right to initiate the conduct process if, in the opinion of OSCCR, sufficient evidence exists without the participation of the Student Complainant to present the case to the Conduct Officers and obtain a determination of a violation by the putative Respondent utilizing the Preponderance of the Evidence standard. Outcomes related to sexual and interpersonal misconduct cases run the full spectrum as outlined in Section XXIII of the Annual Security Report, and include disciplinary warning through suspension or dismissal from the University.

B. All alleged incidents of student-on-student sexual and interpersonal misconduct will be adjudicated in accordance with the Student Conduct Code utilizing the Preponderance of the Evidence standard and will involve a hearing with cross examination. Student Conduct Code proceedings shall be prompt, fair and impartial and adjudicated by officials that have received regular training regarding incidents of this nature.

C. In cases alleging sexual and interpersonal misconduct, the Senior Vice President for Student Affairs, or designee, may take interim measures, including, but not limited to, academic, residential, transportation and/or employment accommodations, intended to ensure the well-being of the Complainant, the Respondent, the investigatory process and/or the University Community while the complaint is being investigated and prior to the determination on the charge. Any such interim measures shall not be referred to or offered as evidence at the hearing on the underlying charge. Any such interim measures shall be designed and implemented in a manner intended to achieve their purpose while at the same time limiting, to the extent practicable, any adverse effect to the Complainant's and/or Respondent's educational program. Any such interim measures shall remain confidential, to the extent practicable to achieve the measure. Both Complainant and Respondent will receive written notification of their access to interim measures.

D. Both Complainant and Respondent will receive written notification of their rights and options in regards to the Student conduct process. Both Complainant and Respondent will also receive written notification of available on and off campus counseling, health, mental health, victim advocacy, local

assistance, visa and immigration assistance, student financial aid and other services offered by the University and other local organizations.

E. No Contact Orders (NCO) will also be utilized by Public Safety both during the investigation and through the completion of the disciplinary process. Both parties will be expected to sign a document stating their awareness of the NCO and the stipulations of no contact, however failure or refusal to sign an NCO by either party does not impact the enforcement of the NCO. Public Safety will provide information about available community resources.

F. In line with the Good Samaritan Policy found in the Community Standards Booklet and this report, violations of the Student Conduct Code regarding underage or excessive consumption of alcohol and/or marijuana or use or possession of illegal substances will not be utilized to commence disciplinary proceedings against a Complainant if the information is divulged through the process of reporting sexual or interpersonal misconduct. The University does reserve the right to refuse to grant amnesty to reporters under certain extenuating circumstances. Criminal investigations and other police action may still occur at the discretion of the law enforcement agency responding to the incident.

G. Student Conduct Code proceedings respecting alleged incidents of sexual and interpersonal misconduct will in the first instance be adjudicated by a panel of not less than two staff Conduct Officers. These Conduct Officers will be regularly trained in the adjudication of these types of incidents. A pre-hearing meeting will be scheduled separately with both the Complainant and the Respondent, where both parties will be permitted to review the Department of Public Safety investigatory report and supporting evidence, identify additional Witnesses and ask questions about the conduct process. All Student Conduct Code proceedings involving allegations of sexual and interpersonal misconduct will include a hearing with cross examination. Complainants and Respondents will be permitted to ask questions of the opposing party and Witnesses.

All Conduct Officers receive training regarding the adjudication of sexual and interpersonal misconduct. For information regarding what training is conducted please contact the OSCCR at (310) 338-1821.

H. Prior sexual history of Complainant or Respondent with people outside of each other will not be utilized as evidence in these disciplinary proceedings.

I. Once a Student Conduct Code determination of the charges has been made, a determination notification letter will be concurrently sent to Complainant and Respondent.

J. Complainants are encouraged to report all instances of sexual or interpersonal misconduct regardless of the amount of time that has passed since the alleged misconduct occurred. The University reserves the right to take disciplinary action regarding allegations involving current LMU Students irrespective of the length of time since the alleged misconduct occurred.

K. Student Conduct Code proceedings are independent from criminal or civil proceedings and will normally proceed without regard to the pendency or potential pendency of criminal or civil proceedings.

### **XXXIII. Definitions**

A. For purposes of this policy, Sexual Assault is defined as engaging in sexual intercourse, or any of the sexual activities listed below, with another person without that person's consent. Sexual Assault includes, but is not limited to, rape, sexual battery, anal intercourse, oral copulation or penetration of a body cavity by a foreign object. Sexual intercourse includes the penetration, however slight, of the vagina or anus with any object or body part and of the mouth with a body part and/or object in a sexual manner.

B. For purposes of this policy, Sexual Harassment is defined as unwelcome conduct of a sexual nature including, but not limited to, unwelcome sexual advances, requests for sexual favors, intrusion into another's sexual seclusion or privacy and other unwelcome verbal, nonverbal, auditory, visual, recording, transmission or display of sexual matters or materials or physical conduct of a sexual nature, such as making contact with an intimate body part (including, but not limited to, the mouth, the sex organs, the anus, the groin, the buttocks and/or the breasts) of another person without that person's consent, including as a result of sexual coercion. A sexually hostile environment exists when Sexual Harassment is so continuous and pervasive that it interferes with or limits a student's ability to participate in, or benefit from, the University's educational program.

For purposes of this policy, Sexual Harassment includes, but is not limited to, invasion of sexual privacy, audio or video recording or photographing of a sexual nature utilizing webcam, camera, Internet exposure, etc., without knowledge and consent of all persons, going beyond the boundaries of consent (such as letting another person hide and watch you have consensual sex without the knowledge of the other party), engaging in unconsented voyeurism, exposing one's genitals in non-consensual circumstances, coercing another against their will to expose their genitals or breasts and prostituting another person.

C. For purposes of this policy, Sexual Exploitation is defined as sexual misconduct that occurs when a person takes unjust or abusive sexual advantage of another for their benefit or for the benefit of anyone other than the exploited party; and that behavior does not otherwise constitute Sexual Assault. Examples of Sexual Exploitation include, but are not limited to, invasion of sexual privacy, audio or video recording or photographing of a sexual nature utilizing webcam, camera, Internet exposure, etc., without knowledge and consent of all persons; going beyond the boundaries of consent (such as letting another person hide and watch you have consensual sex without the knowledge of the other party), engaging in unconsented voyeurism, coercing another against their will to expose their genitals or breasts and prostituting another person.

D. Consent is defined as the unambiguous and willing participation or cooperation in act, behavior or attitude that is commonly understood to be consistent with the exercise of free will. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative Consent of the other(s) to engage in the sexual activity. Consent requires participants who are lawful adults, fully conscious, equally free and legally competent to act, have clearly communicated their willingness, cooperation or permission to participate in the specific sexual activity engaged in, are positive and clear about their desires and are able to cease ongoing consensual activity at any time. Refusal to Consent does not have to be verbal; it can be expressed with clear gestures, body language or attitude. Lack of resistance does not mean Consent, nor does silence mean Consent. Prior sexual history between the Complainant and Respondent, by itself, does not constitute Consent, nor does consenting to sexual activity with one person imply Consent to sexual activity with another person.

- (i) Consent is not freely given if:
1. It is obtained through the use of force, through the fear of or the threat of force, through the abuse of a power position over another (such as employment status or position within an organization) or by kidnap; or
  2. A reasonable person, in the position of the alleged perpetrator at the time the alleged conduct occurred, should have known that the other person was unable to give Consent for any of the following reasons:
    - a. The individual is unable to make an informed decision as a result of the use of alcohol, drugs or other substances (including but not limited to predatory drugs or prescribed medications); or
    - b. The individual is unable to consciously respond for whatever reason including lack of consciousness, sleep, illness or shock; or
    - c. The individual is under the age of eighteen and therefore legally incapable of giving Consent; or
    - d. The individual is known by reason of impairment, mental condition or developmental or physical disability to be reasonably unable to Consent.
  3. The individual has acted or spoken in a manner that expresses a lack of Consent or a refusal to consent.
- (ii) The following are invalid excuses for failing to obtain affirmative Consent from the Complainant:
1. The Respondent's belief in affirmative Consent arose from the intoxication or recklessness of the Respondent; or
  2. The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the complainant affirmatively consented.

E. For purposes of this policy, Domestic Violence is defined as a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabited with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under California law; by any other person against an adult or youth victim who is protected from that person's acts under California law.

F. For purposes of this policy, Dating Violence is defined as violence committed by a person:

- (i) Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (ii) Where the existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the following factors: the length of the relationship, the type of the relationship and the frequency of interaction between the persons involved in the relationship. Dating Violence includes, but is not limited to, sexual or physical abuse or threat of such abuse the "Complainant's statement" with consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved. Dating Violence does not include acts covered under the definition of Domestic Violence. (There is no California statutory equivalent definition.)

G. For purposes of this policy, Stalking means engaging in a course of conduct directed at a specific person(s) that would cause a reasonable person under similar circumstances and with similar identities to the Complainant to fear for his or her safety or the safety of others; or suffer substantial emotional distress. For the purpose of this definition course of conduct means two or more acts, including, but not limited

to, acts in which the stalker directly, indirectly, or through third parties by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person's property.

For the purposes of this definition substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

H. "Complainant" means the individual(s) who file(s) a Student Conduct Code complaint with the University.

I. "Hostile Environment" is defined as any situation in which there is harassing conduct that is sufficiently severe, pervasive and objectively offensive that it limits, interferes with or denies educational benefits or opportunities, from both a subjective (the Complainant's) and an objective (reasonable person's) viewpoint.

J. "Respondent" means the individual(s) against whom a Student Conduct Code complaint is made.

K. "Retaliation" means adverse non-permitted action taken by an individual or a third party against a person who reports a violation of this policy, assists someone with a report of a violation of this policy or participates in any manner in an investigation or resolution of a report of a violation of this policy. Retaliation may, among other non-permitted conduct or behaviors, include threats, intimidation, coercion, Harassment, spreading negative information about an individual, exclusions from academic and non-academic programs and/or adverse actions related to employment.

#### **XXXIV. California Law**

The following excerpts are only partially explanatory of certain California laws pertaining to sexual and interpersonal misconduct. These excerpts are not intended to be an exhaustive description or list of California laws pertaining to sexual misconduct, inappropriate or criminal sexual behavior or interpersonal misconduct.

- A. Excerpts from Sections 11165.1, and 261 of the California Penal Code: Sexual Assault includes rape, statutory rape, rape in concert, incest, sodomy, lewd or lascivious acts, oral copulation, sexual penetration upon a child, child molestation and the following:
- (i) Penetration, however slight, of the vagina or anal opening of one person by the penis of another person, whether or not there is emission of semen
  - (ii) Sexual contact between the genitals or anal opening of one person and the mouth or tongue of another person.
  - (iii) Intrusion by one person into the genitals or anal opening of another person, including the use of an object for this purpose, except that, it does not include acts performed for a valid medical purpose.
  - (iv) The intentional touching of the genitals or intimate parts, including the breasts, genital area, groin, inner thighs, and buttocks, or the clothing covering them, of a child, or the perpetrator by a child, for purposes of sexual arousal or gratification, except that it does not include acts which may reasonably be construed to be normal caretaker responsibilities: interactions with or demonstrations of affection for, the child; or acts performed for a valid medical purpose.
  - (v) The intentional masturbation of the perpetrator's genitals in the presence of a child.
- Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator,

under any of the following circumstances:

- (i) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal Consent and this is known or reasonably should be known to the person committing the act
- (ii) Where it is accomplished against a person's will by means of force, violence, duress, menace or fear of immediate and unlawful bodily injury on the person or another
- (iii) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused
- (iv) Where a person is at the time unconscious of the nature of the act, and this is known to the accused

As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets one of the following conditions:

- Was unconscious or asleep.
- Was not aware, knowing, perceiving or cognizant that the act occurred.
- Was not aware, knowing, perceiving or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.
- Was not aware, knowing, perceiving or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.
- Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense or concealment practiced by the accused, with the intent to induce the belief.
- Where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate," means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury or death.
- Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. The perpetrator does not actually have to be a public official.

California law also states that "The essential guilt of rape consists in the outrage to the person and feelings of the victim of the rape. Any sexual penetration, however slight, is sufficient to complete the crime" (Penal Code section 263). California law further defines both marital rape (Penal Code section 262) and "statutory rape" (Penal Code section 261.5).

Though laws vary from state to state, intercourse in which consent was not obtained or was obtained under coercive conditions will usually be considered rape.

B. Excerpts from Section 67386 of the California Education Code:

The governing boards of independent postsecondary institutions shall adopt a policy concerning Sexual Assault, Domestic Violence, Dating Violence and Stalking, as defined in the federal Higher Education Act of 1965 involving a Student, both on and off campus. This policy shall include an affirmative consent standard in the determination of whether consent was given by both parties to sexual activity. "Affirmative consent"

means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past relations between them, should never by itself be assumed to be an indicator of Consent.

C. Excerpts from Section 261.6 and 261.7 of the California Penal Code:

In prosecutions under Section 261, 262, 286, 287, or 289, in which Consent is at issue, "Consent" shall be defined to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved.

A current or previous dating or marital relationship shall not be sufficient to constitute Consent where consent is at issue in a prosecution under Section 261, 262, 286, 287, or 289. Nothing in this section shall affect the admissibility of evidence or the burden of proof on the issue of Consent. In prosecutions under Section 261, 262, 286, 287, or 289, in which Consent is at issue, evidence that the victim suggested, requested or otherwise communicated to the defendant that the defendant use a condom or other birth control device, without additional evidence of Consent, is not sufficient to constitute Consent.

D. Excerpts from Section 646.9 of the California Penal Code:

Any person who willfully, maliciously and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family is guilty of the crime of Stalking, punishable by:

- (i) Imprisonment in a county jail for not more than one year, or
- (ii) By a fine of not more than \$1,000, or
- (iii) By both that fine and imprisonment, or by imprisonment in the state prison.

For the purposes of this section, "harasses" means engages in a knowing and willful course of conduct directed at a specific person that seriously alarms, annoys, torments or terrorizes the person, and that serves no legitimate purpose. For the purposes of this section, "course of conduct" means two or more acts occurring over a period of time, however short, evidencing a continuity of purpose. Constitutionality protected activity is not included within the meaning of "course of conduct."

E. Excerpts from Section 13700 of the California Penal Code and 6211 of the California Family Code: "Domestic Violence" means abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant or person with whom the suspect has had a child or is having or has had a dating or engagement relationship, a child of a party or a child who is the subject of an action under the Uniform Parentage Act, where the presumption applies that the male parent is the father of the child to be protected or any other person related by consanguinity or affinity within the second degree.

For purposes of this subdivision, "cohabitant" means two unrelated adult persons living together for a substantial period of time, resulting in some permanency of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to:

- (i) Sexual relations between the parties while sharing the same living quarters;
- (ii) Sharing of income or expenses;

- (iii) Joint use or ownership of property;
- (iv) Whether the parties hold themselves out as spouses;
- (v) The continuity of the relationship; and
- (vi) The length of the relationship.

#### **XXXV. Complainant/Respondent**

- A. Complainants and Respondents in a sexual or interpersonal misconduct case have the right to:
- (i) Access to an Advisor, if they do not have one of their own choosing, to assist with the conduct process. Complainants and Respondents may select Advisor of their choice, regardless of family relationship or lack of affiliation to the University (see Section XXXIX for more details);
  - (ii) Receive a written notification of available on-and off campus counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, Student financial aid and other services available as well as notification of the procedures for institutional disciplinary action and their rights and options as defined in sexual and interpersonal misconduct cases;
  - (iii) Make a complaint to the Department of Public Safety;
  - (iv) File a police report and take legal action separate from and/or in addition to filing a Student Conduct Code complaint seeking disciplinary action;

  - (vi) Present material Witnesses to the alleged incident;
  - (vii) Appeal rights as outlined in the Annual Security Report (Section XXVII);
  - (viii) Opportunity to cross examine the opposing party and any Witnesses to determine credibility of information;
  - (ix) Refuse any/all of the above. If Complainant refuses to participate in a hearing with cross examination, the University will not proceed with the conduct process unless sufficient evidence exists without the participation of the Student Complainant. If Respondent refuses to participate in a hearing with cross examination, the University with nonetheless proceed with the conduct process and, if supported by the evidence presented, hold the Respondent accountable for proved violations of the subject Student Conduct Code charges.

#### **XXXVI. Title IX**

A. Under Title IX, LMU has a responsibility to respond promptly and equitably to address Sexual Harassment, sexual violence and interpersonal misconduct. If LMU knows or reasonably should know about Sexual Harassment, sexual violence or interpersonal misconduct that creates a Hostile Environment, LMU must take action to eliminate the Sexual Harassment, sexual violence or relationship misconduct, prevent its recurrence and address its effects.

LMU encourages prompt reporting of crime to Public Safety and/or law enforcement. Even if a Student elects not to file a Student Conduct Code complaint, does not request that LMU take any action on the Student's behalf or is unable to make a report to LMU and/or law enforcement, if LMU knows or reasonably should know about possible Sexual Harassment, sexual violence or interpersonal misconduct, LMU must promptly investigate to determine what occurred and then take appropriate steps to resolve the situation. In appropriate circumstances, LMU may report crimes to law enforcement when a victim decides not to report or cannot report the crime.

A criminal investigation into allegations of Sexual Harassment or sexual violence does not relieve LMU of its duty under Title IX to resolve complaints promptly and equitably.

Questions about Title IX or this policy may be directed to the Title IX Coordinator, Sara Trivedi, in Human Resources, who can be reached at (310) 568-6105 or [strivedi@lmu.edu](mailto:strivedi@lmu.edu). The Title IX Coordinator is notified of reported incidents of sexual and interpersonal misconduct and monitors the University's response to such misconduct. Deputy Title IX Coordinators include:

1. Lisa Grant, Human Resources Specialist – Investigations: [Lisa.Grant@lmu.edu](mailto:Lisa.Grant@lmu.edu)
2. Francesca Piumetti, Associate Dean of Students: [Francesca.Piumetti@lmu.edu](mailto:Francesca.Piumetti@lmu.edu)
3. Maria Behm, Senior Associate Athletics Director/Business Affairs: [Maria.Behm@lmu.edu](mailto:Maria.Behm@lmu.edu)

B. How do I file a complaint with the U.S. Department of Education, Office for Civil Rights? For more information about filing a complaint please visit the U.S. Department of Education's [OCR Complaint Intro](#).

#### **XXXVII. Confidentiality**

A. Title IX requires all universities to identify "responsible employees" as those who are obligated to report all details of an incident, including the identities of those involved, to the Department of Public Safety whenever that information is brought forward to the employee. The Department of Public Safety will notify the Title IX Coordinator when a report has been filed.

Students reporting an incident of sexual or interpersonal misconduct to a responsible employee may request confidentiality. Students should be aware that if they request confidentiality, then the University's ability to effectively investigate and adjudicate the instance(s) of sexual or interpersonal misconduct may be impaired. The University cannot guarantee confidentiality in this instance, and the following factors will be considered by the Title IX Coordinator in consultation with the Senior Vice President for Student Affairs, or designee, in determining whether the confidentiality request can be honored or if an investigation is necessary:

- a) The Respondent has known prior allegations of sexual or interpersonal misconduct and a potential for a campus safety risk exists; or
- b) The location in which the alleged incident occurred is a location where previous complaints of sexual or interpersonal misconduct occurred creating the potential for an unsafe environment for the LMU Community; or
- c) A threat to the campus community at large has been identified; or
- d) A frequency or pattern is detected that suggests an unsafe environment exists for the LMU community or an LMU community member; or
- e) The sexual or interpersonal misconduct was perpetrated with a weapon; or

f) The victim is a minor; or some combination of the above factors exists

If the decision is made that confidentiality cannot be honored, then the University will only inform the necessary individuals and entities on campus required to perform a thorough investigation and adjudication of the complaint.

B. Responsible employees include faculty, administrative staff and some student staff. Responsible employees do not include the following:

i) Professional, licensed counselors, such as the psychologists at Student Psychological Services (SPS), (310) 338-2868, are not required to report any information regarding an alleged sexual or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body, without consent from the Student.

Pastoral counselors, such as Catholic priests and women religious, are not required to report any information regarding an alleged sexual or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body, without Consent from the student provided they receive the information in performance of their pastoral duties.

i) Student Health Services (SHS) Staff, such as doctors and nurse practitioners at SHS (310) 338-2881, are not required to report any information regarding an alleged sexual or interpersonal misconduct, to the Department of Public Safety, the Title IX Coordinator or any other reporting body on campus, without Consent from the student. The SHS Staff will be required to report signs of physical or sexual abuse to law enforcement.

LMU Community Resource Advisors (LMU CRAs), whose names can be found on the LMU CARES (lmu.edu/lmucare), may speak confidentially with students regarding incidents of sexual and interpersonal misconduct without automatically triggering a University investigation into the matter. These individuals do have time and place reporting responsibilities under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), but are not obligated to report identifying information of the Complainant. If the Respondent's name is presented to an LMU CRA, they will be obligated to report that information to the Title IX Coordinator. Reports by the LMU CRA will not trigger a University investigation unless the Title IX Coordinator in consultation with the Senior Vice President for Student Affairs, or a designee, determines that an investigation is necessary because of the existence of one or more of the factors described in Section XXXVII (A).

#### **XXXVIII. Student Affairs Resource Administrators**

When an allegation of sexual or interpersonal misconduct is brought to the attention of LMU, the Associate Dean of Students, or designee, will assign a Student Affairs Resource Administrator (SARA) to both the Complainant and Respondent (if a Respondent has been identified). The SARAs will make themselves available, separately, to assist both the Complainant and Respondent in identifying University and external resources that are available to them in the context of alleged sexual or interpersonal misconduct. SARAs will also review with Complainants what interim measures may be available to them (as outlined in Section II, (C) of this policy). Complainants will be assigned a SARA regardless of whether they provide LMU with the name of the Respondent or willingly participate in the conduct process. The SARAs are members of the Student Affairs Division who are trained to assist the parties in identifying University and external resources and explaining the University's conduct process in cases of alleged Student Conduct Code violations relating to sexual and interpersonal misconduct. The SARAs are not advocates. The role of the

SARA is to:

- Provide information in writing regarding resources on and off campus such as SPS, SHS, Student Housing, Department of Public Safety, proper law enforcement authorities, Rape Treatment Center at Santa Monica-UCLA Medical Center, Campus Ministry and the Office of Student Conduct & Community Responsibility.
- Explain all stages of the LMU Student Conduct Code process, including potential outcomes for both Complainant and Respondent.
- Provide information, explanation and review so that the parties can make an informed decision about the options available to them, including reporting to law enforcement, filing and responding to Student Conduct Code complaints, documenting their decisions, and requesting interim measures.
- Follow up with the Student through the Student Conduct Code process and thereafter to ensure that no Retaliation is taking place and to continue to provide the student access to the resources that the student requires.

#### **XXXIX. Advisor**

In cases of sexual and/or interpersonal misconduct, Complainants and Respondents may choose an Advisor of their choice. If Complainants or Respondents want a trained Advisor from the University community, they may obtain a referral from their assigned SARA. Advisors will assist Students in navigating the conduct process but will not serve as representation for Students in Student Conduct Code proceedings.

If the Student chooses an Advisor for incidents involving Sexual Harassment/sexual misconduct and/or interpersonal misconduct, that Advisor is still subject to the requirements set forth in Section XXXII (D) (3) of the Annual Security Report.

#### **XL. What Should You Do if You Experience Sexual Assault, Sexual Violence, Domestic Violence, Dating Violence or Stalking?**

If you experience Sexual Assault, Sexual Violence, Domestic Violence, Dating Violence or Stalking, it is important to remember that it is not your fault! The most important thing you can do is to get the assistance that you need by taking the following steps:

- A. Go to a safe place as soon as you can.
- B. Preserve all physical evidence. Do not wash your face or hands, bathe, brush your teeth, drink or eat, douche or change clothes. If you do change your clothes, put all clothing you were wearing at the time of the assault in individual paper bags (not plastic). It is important to preserve as much evidence as possible for investigation and processing of criminal and/or disciplinary charges.
- C. Contact Public Safety - 310.338.2893 or 222 (Emergency Line on campus). LMU Public Safety can also be reached by activating the blue light boxes located throughout campus. Public Safety can assist you in reporting a crime that occurred off campus to the appropriate authorities. You may decline to report your experience to such authorities.
- D. Seek immediate or prompt medical treatment (typically within 72 hours). It is important to seek immediate or prompt and necessary follow-up medical attention for several reasons:
  - 1) To assess and treat any physical injuries you may have sustained.
  - 2) To determine the risk of sexually transmitted diseases or pregnancy and take appropriate medical measures.
  - 3) If you choose, you may have evidence collected and preserved to aid in the investigation

and processing of criminal prosecution and/or disciplinary action. It is best for any physical evidence to be collected within the first 24 hours following the incident (the quality and quantity of evidence collected later than this may be substantially diminished).

- E. Visit the Rape Treatment Center at Santa Monica-UCLA Medical Center - 310.319.4000.
- The Rape Treatment Center can provide general medical treatment and, if you choose, collection of evidence. A medical exam could include treatment of any physical problems; evaluation of risks; various lab tests for sexually transmitted diseases and pregnancy; appropriate treatment; identification and collection of physical evidence of any Sexual Assault. A specially trained nurse will perform the evidence collection exam. A Sexual Assault advocate or a support person of your choice may be present throughout the procedure.
  - The Rape Treatment Center hospital emergency department follows national standards for victim care, Sexual Assault exams and evidence collection procedures. If the decision is made to conduct an evidence collection exam, the anonymous evidence may be held for six months or longer. This means you do not have to decide immediately whether or not you want to press charges.
  - The Rape Treatment Center also provides long term counseling support for victims of Sexual Assault and sexual violence, as well as advocacy and accompanying services.

F. Meet with your assigned Student Affairs Resource Administrator (SARA).  
LMU will assign you a SARA following a report being submitted to Public Safety. Your SARA is a Student Affairs professional trained to provide you with information about resources available to you both on and off campus. The SARA can receive requests for interim measures and review your options with you. SARAs will also review with you the University's conduct process and LMU's policy against retaliation.

G. Schedule non-emergency medical treatment - 310.338.2881.  
Even if you choose not to go to the hospital or to seek immediate medical attention, it is still important to get medical attention to treat any physical problems and to conduct various lab tests for sexually transmitted diseases and pregnancy. To arrange non-emergency treatment, contact Student Health Services via telephone, visit [lmu.edu/health](http://lmu.edu/health) to schedule an appointment online or walk-in to their office in the Burns Recreation Center, Monday-Friday, 8 a.m. to 5 p.m. If you say that you have been a victim of Sexual Assault, sexual violence, Domestic Violence, Dating Violence or Stalking, you will be offered a general medical examination by a licensed health care provider. You will also be offered a referral to Student Psychological Services (SPS) for counseling and support.

H. Utilize counseling services - 310.338.2868.  
SPS has mental health professionals available for students in crisis. During regular office hours you can call SPS or come to the office located in the Burns Recreational Center, Monday-Wednesday, 8 a.m. to 7 p.m., and Thursday-Friday, 8 a.m. to 5 p.m. To schedule an appointment online, visit [lmu.edu/counseling](http://lmu.edu/counseling). After hours, please call 310.338.2868 and follow the prompt to access a therapist.

## ALCOHOL AND OTHER DRUG USE POLICY

The possession, use, sale or the furnishing of alcohol on the University campus is governed by LMU's Alcohol Policy and California state law. The enforcement of alcohol laws on-campus is the primary responsibility of Public Safety. The possession, use, sale, manufacture or distribution of any controlled substance is illegal under both state and federal law. Such laws are strictly enforced by the LMU Public Safety.

Violators are subject to University disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession or use of alcohol by anyone under 21 years of age is illegal. It is a violation of the LMU Alcohol Policy for anyone to consume or possess alcohol in any public or private area of campus without prior University approval. Individuals, organizations or groups violating alcohol/substance policies or laws may be subject to sanctions as set forth in the Student Conduct Code and/or criminal prosecution, fine and imprisonment.

\*\*The entire alcohol and drug policy is available in the [Community Standards booklet](#).

\*\*\*The Drug-Free Campus Policy for LMU Faculty and Staff is disseminated annually in accordance with Federal regulations.

### XLII. Alcohol and Other Drug Abuse Information

LMU is committed to promoting the health and safety of its campus community through a program of alcohol education and the implementation of relevant policies. The University has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students, faculty and staff. The program provides services related to drug use and abuse including dissemination of informal materials, educational programs, counseling services, referrals and University disciplinary actions.

### XLIII. Alcohol and Other Drug Education

- The Employee Assistance Program provides confidential service by experienced clinicians. They can help faculty/staff members and their household members deal with issues such as depression, marital and family issues and substance abuse.
- Heads UP is a campus-wide responsible drinking project. The mission is to promote a safe and healthy lifestyle among all students and to intervene with high-risk students to reduce dangerous levels of drinking and the incidence of problems resulting from heavy consumption.
- Cura Personalis – August Orientation - First Year Experience reviewed conduct code regarding underage drinking.
- LMU requires all first-year students to complete “Think About It,” by Campus Clarity.
- LMU Pregame, a 90-minute interactive workshop discussing responsible alcohol consumption, personal accountability, the campus prohibition on marijuana and the effects of its usage. The program asks individuals to own the actions of their mind, hand, and heart, and is required for all incoming students.

### XLIV. University Disciplinary Actions

A violation of any law regarding alcohol and other drug use or possession is a violation of the University's Student Conduct Code and a violation of state and federal law and will be treated as a separate disciplinary matter by the University.

### XLV. Referral Information

#### LI. Fire Safety & Training

Public Safety conducts fire safety training with the Residence Life Staff during annual summer Resident Assistant (RA) training. Sessions are held covering emergency response, fire safety, fire evacuation protocol, and the role of an RA in any fire emergency.

The RAs are responsible for training their residents on fire and emergency evacuation protocol in their floor meetings at the beginning of the year. The RAs play an active role in the fire drills conducted by the Professional Residence Life Staff in collaboration with Public Safety. Residents are not notified of the time or date of the fires drills.

Fire safety has always been and continues to be a high priority at LMU. Facilities Management in concert with Public Safety Emergency Management, in collaboration with University partners, continue to assess what more can be done to assure a fire safe Environment; raise our Fire Preparedness and Prevention; continually assess and renew the fire safety instructions and fire evacuation procedures; and update available training and fire safety information for the LMU Community.

#### LII. Fire Safety Policies & Procedures

Student Housing policies and community expectations reflect the belief that everyone living in University housing plays a role in maintaining an environment conducive to healthy living and learning. Residents must abide by these policies.

#### LIII. Drill Procedures for Housing Buildings

- The RD of the building must be present.
- The drill occurs at randomly scheduled evening times.
- Resident Services will have a staff member onsite during the drill.
- Public Safety will be onsite.
- The drill is run by the RD of the building in conjunction with a Public Safety Officer.
- All students are expected to evacuate the building.
- The RA staff should be in their room.
- RA staff should evacuate when the alarm sounds.
- RA staff and the RD should convene at the designated Safe Refuge Area (and guide their residents to do so) where they will take a count of students and await further instructions from Public Safety.
- The RD will coordinate some type of educational program for the residents concerning the drill.
- The RD is expected to meet with the residents in the designated safe refuge area and discuss the drill.

#### LIV. Fire Drills for Administrative and Academic Buildings

Public Safety partners with over 250 Building Captains and Emergency Response Team members to coordinate fire drills in administrative and academic buildings on campus. 94% of administrative and academic buildings completed an evacuation drill in 2019.

**ANNUAL DISCLOSURE OF CLERY ACT CRIME STATISTICS**

The crimes reported are not necessarily committed against a member of the University community. Crimes that may have occurred on off-campus locations are not included in the University’s statistics. The definition of each crime may differ from the definition of comparable crimes under the California Penal Code or University discipline policies. \*\*The Residence Hall stalking case occurred on a study abroad trip in Dublin, Ireland in a location controlled by LMU at the time of the incident.

\*\*\*The noted decrease in reported criminal incidents involving Drug Law Violations stems from additional guidance regarding the counting of said crimes. Given that marijuana has been decriminalized in LMU's legal jurisdiction, all incidents involving possession of marijuana in the amount under 28 grams, or one ounce, have not been counted.
